

By Phat

Stormy weather—I always did like that song . . . And sang it on Tuesday when Palm Springs got in on the edge of a general storm which swept the southland . . . While the wind was whistling about friskily here, Bill Ortwin of the Western Air called up . . . "Don't let anyone complain," he said. "I have just received weather reports which say that Los Angeles is in the throes of a deluge. San Franciscans are dodging hailstones and there's a blizzard blowing over the mountain tops. So I'm going to take off my coat and stroll out in our nice weather." . . . H'mm, another Chamber of Commerce booster.

**CONTRIBUTIONS** this week included one from Mrs. Charles Henderson . . . It was from an Idyllwild resident but applies equally well here: "The findings of the 'smog' experts in the Los Angeles area make us wonder why anyone is still walking around down there. The analysis states that people are breathing a mixture of ammonia, formaldehyde, acrolein, sulphuric acid, hydrochloric acid, nitric acid, chlorine, phosgene, and irritating organic dusts. Gee, all we got here is fresh air!" . . . The same goes for the Village.

**GOING BACK** to that topic of weather, which started off today's essay . . . Did you ever see a "sandbow"? . . . Neither had I . . . Jerry Weber of the Palm Springs Pueblo called up Tuesday morning and told me to look north . . . There I saw what looked like a beautiful rainbow . . . Only trouble with that was that there was no rain at the time . . . It was the sun shining through the drifting sand in the wash several miles north of town and it had all the colors of a rainbow only intensified . . . Seems that in the desert anything can happen . . . For instance, I got plentifully soaked walking down the Drive while the sun was shining brilliantly overhead.

**THE NEW CITY DIRECTORY** is out and there have been some changes made since the last one . . . The first name in the last directory was the A. and F. Stables . . . Now it is Albert A. Stables . . . The last name in the old one was Zulkowski, Michael . . . Now Zwerdilling Joe, with a "w" below the "u" holds the final spot . . . The first name in the new telephone directory is an AB item . . . Abdun-Nur, O. J. . . . and the last name is that is . . . and the last name is Zouganiles, George, held the last spot . . . There's a firm in Los Angeles which calls itself the A.A.A.A. Association just to be sure of the first spot in the Los Angeles book . . . Silly, but items like this take up more than two inches of space in the column.

**THE MAIL** this week was fairly prolific . . . An idea for another campaign came in a card from F. S. . . . "Here's another that's wanting benches—don't give up—Also why don't you start a fuss about the smoke from the city dump that drifts into our fair village? Go out by the air base and take a look (or a whiff) some morning?" . . . "Stopped to let you jay-walk across the street from The Sun office. Thanks for the 'thank you' you tossed me." . . . That was signed CBS . . . Broadcasting, apparently . . . Ralph Nesmith, of the aluminum vented umbrella, says that his design was the only one that stood up and defied Tuesday's breeze.

**YOU'VE SEEN** plenty of hurdle races, no doubt, but did you ever see a girde race . . . Seems that they had one at Smoke Tree ranch Tuesday . . . The reports are still fragmentary but according to what I heard, a woman resident there was removing one of those two-way stretch things from the clothes line when the breeze hit . . . Then it was a three-way stretch . . . The pink item went merrily down the street, riding the zepthers, with the woman after it . . . Residents of the area, so I'm told, stood on their porches and applauded—some, it is said, even made book on how far it would fly before being caught . . . Finally trapped, the sad part of it was that it had to be laundered all over again.

**REMINISCING**, to me, is one of the most pleasant ways of spending an evening . . . Was with Harold Jacobs, managing editor of Press ace reporter, Howard papers, in key spots of the nation the other night . . . There were a lot of names bandied about that I hadn't heard of for some time . . . Martin Green, once termed the nation's greatest reporter . . . He never aspired to be an editor . . . He just wanted to report . . . Then, H. H. Van Loan, whom I once had the privilege to work for . . . Beanie Walker . . . Irving Cobb . . . all of them would rather report than be desk men . . . The late Damon Runyon also came in for quite a bit of comment . . . When newspapermen get together, the words—and ideas—do fly.

**COMES** a letter from Walter Westman, photographic consultant, of Altadena, Calif., enclosing a clipping of an advertisement . . . "Work and Play at Palm Springs . . . 24 hours a week . . . and pay only \$35 all expense." . . . Westman's letter commented: "Workman only 24 hours a week is my idea of Utopia . . . but paying thirty five Hermans a week for

## Veterans of Village Plan New League

Service Organization To Unite All Local Veterans' Groups

Organization of a Veteran's Service League composed of representatives of the Owen Coffman Post of the American Legion; Post 34 of the AMVETS; Palm Springs Chapter of the Disabled American War Veterans and the Frontier Post of the Veterans of Foreign Wars got underway in the Village this week.

Present at the initial organizational meeting was Dr. James E. Potter, commander of the DAV; Glen Rogers, commander of the VFW; Dr. Claude H. Church and Hilton McCabe, committeemen, appointed by the AMVETS to get the organization started.

**JERRY SANBORN**, commander of the Owen Coffman Post of the American Legion, although unable to attend the initial meeting, acquainted with the organizational plans and the resolutions past at the meeting wholeheartedly approved of the action taken.

The first meeting was productive of a resolution to investigate, if practicable, the endowment of two beds in The Community Hospital to be used by ailing veterans. McCabe was appointed as a committee-of-one to meet with officials of the hospital and report back to the Service League his findings.

Veterans of World War I and II will be eligible for hospitalization in the beds endowed by the service groups.

## Tuthill To Face Court February 25

Marvin J. Tuthill charged with the Cathedral City murder of Mrs. Charlotte Ann Beverly in the early hours of New Year's Day, will go on trial in department one of Superior Court, February 25, with Judge Russell S. Waite presiding.

Judge Waite on Tuesday appointed attorneys Robert A. Sikes of Indio and R. T. Sullivan Jr. of Riverside as counsel for the defendant. Tuthill is accused of using a 22-caliber rifle belonging to his victim's son, to send a bullet crashing through her head. A registered practicing nurse, Mrs. Beverly died instantly.

## Jack Crommelin on Board for Rotary

Jack Crommelin was named to the board of directors of the Palm Springs Rotary club at its meeting Wednesday at the Desert Inn. He succeeds the late Cecil Isenagle.

## Editorial

### It's a Rather Sad Story

With these answers ringing in their ears, volunteer solicitors for the Palm Springs Community Chest fund are returning to the local headquarters, discouraged individuals:

"I gave in Los Angeles."  
"I gave in Portland."  
"I gave in Beverly Hills."  
"I gave in . . . etc, etc."  
Palm Springs gets nothing!

The permanent residents of the Village number about 7000, of which many are not in the high income brackets. These people cannot—and should not have to—shoulder the entire support of the Community Chest agencies which serve a population of over 15,000 during the winter season. Anyone living in Palm Springs for even a part of the season or owning a home here should share in the cost of maintaining these welfare agencies. Indeed, they are likely to benefit directly or indirectly themselves. They may have children who participate in youth activities supported by the Chest. But even though a winter resident sees no possibility of benefitting from these agencies they still should assume a fair portion of the financial responsibility.

It is perfectly natural, on first thought, to tell a solicitor that you gave to another chest fund—and generously. We urge that these people give the matter a second thought. If they do, we believe that many will agree Palm Springs, too, should share in their gift; an extra donation this year and a reasonable portion of the total amount they expect to give in future years.

## Gen. Arnold Cites Needs For Air Safety

Ground Operations Not Keeping Pace With Modern Flying

(Picture on Page 5)

General H. H. "Hap" Arnold, former commander of the Army Air Forces, visiting with friends in Palm Springs didn't grope for words in explaining what he thinks is the underlying cause for the unusual number of commercial air crashes in this country and abroad with resultant great loss of life.

He emphatically declared that the trouble lies with insufficient experienced maintenance crews, lack of sufficient weather information and procrastination in the installation of proper ground control landing equipment to be used in blind flying conditions.

"I BELIEVE the unusual number of crashes can be attributed to the lack of trained personnel in both maintenance and operation," General Arnold declared. "Right now when the aircraft carriers should be gaining the good will of the public they are losing it because of the number of accidents."

He added that instead of waiting for the latest equipment in the control of planes landing blind in weather, the gadgets now available should be installed as rapidly as possible.

"WHY WAIT?" questioned the former commander of the Army Air forces. "Let them put what they have on hand into operation now and wait for the most modern equipment later."

The general said that for some reason, which he couldn't explain, accurate weather information is not as easily available now as it was during the war, for these aerial transport companies. Another thing he added to the probable cause of accidents was the great demand for service on the part of the public and the inability of the aircraft carriers to cope with the problem.

"DUE TO conditions now existing," asserted the general, commercial carriers, instead of filling each seat on a plane, carry half the load. But most of all, ground control and landing equipment of the type now on hand should be installed and additional training of personnel vigorously pursued.

General Arnold, with his wife, are spending a week at the home of Nate Milnor, former head of the state fish and game commission office which is now occupied by General Arnold. The two met eight years ago in the woods, when as Arnold said, he was out hunting and Milnor was doing some fishing.

"AT THAT TIME," the general said, "I told Milnor I was going to get his job and, funny as it seems, he was right."

See GEN. ARNOLD, Page 8

# Alworth Paints Bright Picture For Future Here

Smith, Fred Young, Mrs. N. Hotchkiss, Gene Royer, Marion Hills and Winfield Line. (Desert Camera Shop Photo.)

## Ask Motorists To Heed State School Bus Act

George Bond, transportation director for the Desert School district, today issued an appeal to Village motorists to exercise more care in passing school buses and to observe the state regulations in regard to buses.

"Drivers are required to come to a complete stop when a school bus is stopped to load or unload and the law provides that they must stop whether approaching or overtaking a school bus. After stopping, they may proceed at 10 miles per hour until all danger is passed," he said.

A group of "safety boys" has been appointed. They dismount at each stop and with red flags, warn traffic. But even these red flags are ignored and sometimes the "safety boys" have to jump to get out of the way of careless drivers.

Whenever possible, Chief of Police G. A. Kettmann assigns a police car to follow the school buses to enforce the law but this is not possible on every trip, Bond said.

So he issued an appeal today to motorists to observe school bus regulations and to make every effort to prevent a tragedy.

## It's Back Again

Village May Be on New Time in April

Well, Palm Springs may be back on Daylight Time again. But this time it won't be alone and the plan will work.

A bill has been introduced in the state legislature to place the entire state on daylight time starting at 2 a.m. on April 27 and return to standard time on September 28.

The measure was introduced by Assemblywoman Kathryn T. Niehouse of San Diego.

## Action

Los Compadres Plan Big Event Sunday

Fast action is expected at the Fl eld Club Sunday afternoon when Los Compadres club sponsors the second in a series of quarter horse race events and a Western show, scheduled to get under way at 1:30 p.m.

Besides the appearance of some of the fastest quarter horses in the southland, there will be western show events under the direction of Cliff Campbell and Joe Butler. A full program of interesting events is planned.

Phil Delano is in charge of the quarter horse match races. Wall Spalding, president of Los Compadres, is in charge of the program.

## Veterans of Naval Battles Guests Here

It may have been a little windy here Tuesday—but 18 wheelchair patients from the Naval hospital at Norco had a great time in Palm Springs as guests of the Gray Ladies of the Red Cross.

It was the third in a series of Tuesday affairs the Gray Ladies are staging for convalescent veterans.

The affair was held at the home of Mr. and Mrs. John W. Williams.

**BECAUSE** Tuesday was an "unusual" day, sun bathing around the pool was abandoned and the meeting was adjourned to indoors where music, games and a turkey dinner were featured.

During the afternoon Winfield Line gave a talk on his recent hike to San Jacinto peak. The sailors were much interested and almost an hour of questions followed.

**APPRECIATION** of the work of the Gray Ladies was best expressed in a letter Mrs. Lauritz Hansen, chairman of the Corps, received this week. It was from a wounded veteran who had been a patient at Torney General Hospital.

"I will never forget the Gray Ladies. That is why I am well today. A wonderful memory—your work is a God-send."

**ASSISTING** Mrs. Williams in last Tuesday's outing were Mrs. Francis Crocker, Mrs. A. E. Hoover, Mrs. Ray Hauser, Mrs. Raymond Knowles, Mrs. Ernest Gatland, Mrs. Newton Hotchkiss and Mrs. Lauritz Hansen.

The next "Desert Outing" for convalescent veterans will be held on February 4 and Mrs. Lloyd Simon is in charge.

## She Blew!

And Then Came the Rain—It Was a Day!

Palm Springs had a bit of weather this week. The first "Tahquitz Twister" in some time and then a dash of rain to wet down the sand raised by the morning wind.

Rainfall for the day, Tuesday, was .14 of an inch bringing the season's total here to 1.92 inches. Last year at this time, 5.53 inches had been recorded.

According to old-time Villagers, rainfall here is the lightest it has been in many years.

Up to yesterday morning, night temperatures were moderate, remaining in the 40s.

Since last listed in The Sun, temperature recordings follow:

Date	Max.	Min.
Jan. 27	75	40
Jan. 28	69	48
Jan. 29	69	42

**MISTAKE**  
If you should read The Desert Sun display ad on Page 9, a mistake in the composition occurred. The line in question reads: "The subscription rate is only \$3.00 per year. It should read: The rate is \$5.00 per year."

## City's Plans For Progress Told Clubs

City Manager Says Only Problem Now Is Source of Funds

If you think Palm Springs is a swell place to live in, reserve your final opinion for one year, or five at the most.

Speaking before both the memberships of Rotary and Lions clubs Wednesday and Thursday of this week, William E. Alworth, city manager, outlined for the first time publicly, the ideas, plans and dreams of Village fathers as they sat around their council table and in informal discussions.

**THE PROGRAM**, although a pretentious one, will eventually provide the citizens of this community with such facilities as are taken for granted in most cities of this size, it was indicated in Alworth's speech. Method of financing the various improvement projects, the city manager declared, is the perplexing problem solution of which is yet to be found.

Among the projects on the city's future planning is a park with recreational facilities for both the adult and child. Extension of fire protection in the city includes two branch fire stations, one at the south end of town and the other at the north side. Public buildings and improvements needed by the city, Alworth said, include a new police station, city hall, maintenance yards and buildings, enlargement of the present outfall system and disposal plant, flood control and a definite solution for the parking problem which can only be alleviated by the creation of off-street parking.

**ALWORTH SAID** the crying need of the Village now is a park with tennis courts, swimming pool, and especially an 18-hole golf course.

The city manager was in hope that Palm Canyon Drive would be improved before the California highway commission abandons it as a state highway. Alworth said he and other councilmen appeared before the Colliers committee and outlined what improvements of state highways in the city were necessary.

**IN THIS PROPOSAL** he hoped the state would widen Palm Canyon Drive so that two lanes of automobile traffic could move in either direction. He cited to the Collier committee that it would cost \$3,000 per mile to get the present mileage of streets of major importance into good shape for a total of \$90,000 and then it would cost \$10,000 a year to maintain. This amount of street repair work Alworth said, accumulated during the war years when it could not be done.

Recently the city manager said, the city obtained permission to connect with the old army sewage

See CITY'S PLANS, Page 8

## Noted CBS Program To Originate Here

To celebrate its first birthday, KCMJ in Palm Springs expands its reputation as the only 250-watt radio station in the area, now water to serve as a major network origination center, as CBS reverses the lines from February 4th to the 15th.

Festivities open with the first Palm Springs visit of radio's greatest interview show, Vox Pop, with Parks Johnson and Warren Hull, originating from the swank Palm Springs Tennis Club on February 4th. Chet Huntley's 10 o'clock Wire and the Gallup Poll program with John Sayers will be released from RadioOasis facilities to CBS during the following ten days.

**JOHNSON AND HULL** both are expert interviewers and literally are radio stars in their own right. However, they are careful to obscure their own participation on Vox Pop. Rather than themselves, they feature guest interviewees whom they meet on their continuous travels to all parts of the country with the

grand-daddy of radio interview broadcasts. The Vox Poppers spend several days at the location of each program, talking and making friends with their prospective microphone guests. As many as 150 may be personally interviewed during the preliminary proceedings, which determines the final six who will go on the air.

**CO-OWNED** by Dick Joy, network announcer, and Don McBain, airlines captain, KCMJ is now completing a year of service to America's Foremost Desert Resort area, which is deprived of adequate radio coverage from all other stations—whether they are 20 or 200 miles distant—by the desert-and-mountain terrain which gives Palm Springs its famous climate.

KCMJ, carrying the complete CBS big-show schedule, has originated such CBS features as

## Doing the Village

with  
Moya Henderson

Seems there was a little breeze  
stirring on Tuesday—those balmy  
spring zephyrs that wander this  
way once in a while.

The sudden wafting of the de-  
sert floor into the air didn't  
dampen the spirits of Helen Wil-  
liams' guests. They adjourned  
from the patio into the house for  
luncheon. Mrs. Williams and Mrs.  
Francis Crocker with other Grey  
Ladies entertained wheel chair  
patients from the Corona Naval  
hospital for the day. All the boys  
were polo cases and enjoyed get-  
ting away from the confines of  
the hospital into a private home.

**TUESDAY EVENING** Deep  
well guests gathered in the  
lounge for another of their eve-  
nings of square dancing. They  
have been meeting every Tues-  
day for some weeks now and are  
becoming quite professional. Vil-  
lagers interested in the old dances  
often join the group.

Donna and Al are having  
a very busy and exciting week.  
After what has seemed like an  
eternity, their new home is com-  
pleted and they are in the throes  
of moving. The Gustave Patzners  
were the first of the GI's to move  
into the new development which  
has now grown to quite a little  
colony.

**ANNOUNCEMENT** is being  
made this week of Roma Marvin's  
fashion show to be held at the  
Palm Springs Tennis Club on Fri-  
day February 7 from one to three  
in the afternoon. Many ladies of  
the Village will be guests at the  
club for luncheon and will have

ingside seats for the affair. Pro-  
fessional models will show the  
new creations that will appear  
at Roma's when her shop has its  
official opening the next day.

De Lorse Roth, daughter of Mr.  
and Mrs. Leonard T. Roth, will  
be married to William D. Jekel  
of Los Angeles on Saturday af-  
ternoon at the North Glendale  
Methodist church. DeLorse was a  
popular member of last year's  
graduating class of the Palm  
Springs high school and her par-  
ents have been Villagers for  
many years, having managed  
Ramon Trailer Park for two  
years. A reception in Culver City  
will follow the ceremony. Last  
Tuesday evening the bride-to-be  
was honored at a bridal shower  
in her honor given by Nan Dut-  
tenhofer and Babs Neel at the  
Neel home.

**ANOTHER SHOWER** well at-  
tended by the younger set this  
week was the stork shower for  
Lori Lee Lyons at the Shearer  
home with Sandra Sherer as co-  
hostess. It was rather difficult  
for guests to think of gifts to  
be used by a baby Lyon.

A newcomer in town is Lorene  
Lester who is in the Village to  
demonstrate a new type of per-  
manent perfected by her. Miss  
Lester was studying to be a model  
but this career was interrupted  
by an automobile accident. Not to  
be daunted, this ingenious person,  
dreamed up ways to glorify  
others while she was convalescing  
and is now busy putting them  
into practice.

## Fish, Game Group To Meet Monday to Elect Officials

Palm Springs Fish and Game  
Conservation Association will hold  
an important meeting next Mon-  
day night at the fire hall, it was  
announced today. The meeting  
will be called at 8 o'clock.

Election of officials for the en-  
suing year will be a feature of  
the session.

Plans for the new year will  
also be discussed.  
Harold Lienau is now president  
of the association and Harry  
Mann, secretary.

Jingling Julia comments that  
the way some of the ladies give  
signals in traffic, you can't tell  
whether they're going to turn or  
are drying their fingernail polish.

During the first six months of  
1946, traffic accidents claimed the  
lives of 15,750 and injured 540,000  
others in the United States.

## THE MOST PERMANENT THING IS CHANGE

Towns change. Neighborhoods change. Tastes change. Yes,  
change is a pretty permanent thing.

Realty changes are taking place all around us—right here  
in Palm Springs. It's our business, you see, to watch and  
check on these changing developments . . . and guide you  
accordingly.

The office of MURIEL E. FULTON—thirteen years in Palm  
Springs enables us to assist you in any type of Real Estate  
investment.

## Kin of Villagers To Attempt Record Non-Stop Flight

Villagers were much interested  
Tuesday in publication in Los  
Angeles newspapers of a picture  
of Lt. Col. Robert Thacker who  
soon will attempt a Honolulu to  
Los Angeles non-stop flight.

Hero of many missions in the  
Pacific war area, Col. Thacker,  
then a captain, visited in Palm  
Springs two years ago. His wife  
is the daughter of Mr. and Mrs.  
Joe Smoot. Smoot was a mem-  
ber of the local police depart-  
ment at the time.

Col. Thacker spent several days  
at the Smoot home here.  
His Honolulu to New York non-  
stop attempt will be made in a  
North American Twin Mustang  
fighter.

Hams are to be bigger next  
year because there is more in the  
crib as well as on the radio.

## "I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

Committee appointments will  
be fully announced before this  
reaches the press, so a few com-  
ments might be in order.

I say without hesitation that  
never before, in the history of  
this State, has California been  
so well placed, in the Congress,  
as now, and the credit for this  
in great part goes to our mem-  
ber of the Republican commit-  
tee on committees, Congressman  
Gearhart of Fresno. He is a mem-  
ber also of the ways and means  
committee, which will have all  
tax and all trade treaty problems.

The most important commit-  
tee, to some people writing a let-  
ter like this, would be the com-  
mittee on rules. That committee  
is the dispatcher of the Congress.  
It decided which bills shall come  
out, and determines the details  
of time, amendments, and points  
of order. There are eight ma-  
jority members, and four mi-  
nority members. California has  
No members, preferring other  
committees. We have friends on  
the rules committee.

Without doubt the next com-  
mittee in importance, and cer-  
tainly the top committee in in-  
fluence, would be voted generally  
to be the committee on appropri-  
ations. Two years ago, I was  
asked if I would move to that  
committee when we lost its Cali-  
fornia Republican member in the  
1944 election. I was too recently  
on the committee on agriculture  
to consider the suggestion, and  
am glad I didn't move then.  
We've had important discussions  
before the two committees I was  
on, agriculture, and irrigation  
and reclamation, and my legisla-  
tive education has been increased  
in the past two years! This year,  
the invitation was renewed and  
the new chairman of the appropri-  
ations committee made a per-  
sonal request of Gearhart. With  
the reorganization taking place  
anyway, it seemed too good to  
miss. It is interesting to note  
however, that if I had gone over  
two years ago, I would now be  
No. 15 on the committee. Wait-  
ing two years has put me down  
to No. 22 on the 43 member com-  
mittee, which has 25 Republican  
members and 18 Democrats.

Congressman Sheppard of San  
Bernardino is No. 30 on the com-  
mittee, or No. 5 on the minority  
side, a high ranking spot, and he  
keeps the same two sub-commi-  
tees, Navy, on which he will be  
the ranking minority member,  
and agriculture, on which he will  
be second on the minority side.  
The work of the appropriations  
committee is done through sub-  
committees, which become, in ef-  
fect, the active committees for  
the various budgets. The sub-  
committees are named for the  
department from which the bud-  
gets come, navy, agriculture, in-  
terior, etc.

I requested agriculture and in-  
terior. It would have been a  
miracle to get both, my first  
year on the committee. There are  
only 4 Republicans and 3 Democ-  
rats on each sub-committee and  
practically all western members  
ask for agriculture and interior,  
particularly the latter. I will be  
on agriculture, which I consider  
recognition for the district, and  
also on "independent offices." If  
you will go to the library and  
ask for a copy of the Congres-  
sional Directory, you'll find (page  
407 in the most recent directory)  
the list and functions of almost  
100 agencies of government  
whose budget requests come  
before this subcommittee.

This list includes everything  
from the RFC or the NLRB to the  
Battle Monuments commis-  
sion, the Columbia Institute for  
Deaf, or the Franklin D. Roose-  
velt library. It has the FCC, the  
Federal Loan Agencies, the Ex-

The big studios are so bogged  
down by mechanical restrictions,  
red-tape and superficialities that  
even if an original or sincere idea  
comes along it is next to impos-  
sible to get it across.—MacKinlay  
Kantor, novelist.

The crescent moon always has  
its horn turned upward at sun-  
set in spring, but more horizon-  
tally in autumn. The tilt is sea-  
sonal, and has nothing to do with  
rain or drought.

Tune to 1340 at 5:25 P. M.  
for News

Listen to The Desert Sun's  
Daily Newscasts

port-Import bank, the Federal  
Reserve System, the Federal  
Works agency. That's just  
scratching the surface; the more  
I look at the list, the more I  
think I'm going to enjoy that  
assignment. It is considered a  
good one.

In addition, members may be  
invited by sub-committee chair-  
men to sit with their committees  
for special hearings, and I hope  
to sit occasionally with the In-  
terior sub-committee on hearings  
involving the Colorado river, and  
other water problems. It means  
hard work and more work, but  
it also means more opportunity  
to get results, and increasing in-  
fluence.

Ernest Bramblett, from Ven-  
tura, Santa Barbara, San Luis  
Obispo and Monterey counties,  
takes my place on the commit-  
tee on agriculture and that is  
a good spot for him. I would  
have hesitated to relinquish my  
place there, after seven years  
when the State had nobody on  
that committee, if I had not been  
sure we would be well repre-  
sented.

I will continue this letter next  
week, and discuss the committee  
appointments given other mem-  
bers of the California delegation  
in Congress.

## Bond Elections Deserve Consideration

Taxpayers of Palm Springs will be asked on February 25th to pass on a \$750,000 bond issue for the construction of new High School buildings. The election has been called by the governing board of the school district and should be given serious consideration by every voter.

The same arguments which prevail in the high school bond issue, apply to the Desert School district, which is also facing a problem due to rapid growth of population here and the resultant increase in enrollment.

That new school buildings in Palm Springs are needed should be obvious to anyone familiar with present facilities. During the war years construction was halted although school enrollments soared. Average daily attendance at the high school has passed the 300 mark and a high school grown to such proportions can no longer do without a gymnasium, auditorium, shop buildings, and the other service units the trustees are asking for. Palm Springs high school students unquestionably should have the facilities enjoyed by students in other school districts less able financially to provide them.

Our school people have been patient in working under handicaps made unavoidable through war conditions. Now is the time to remedy some of the deficiencies in the physical plants of our schools and to insure that the local students will have the benefits of a smoothly-functioning, effective educational program.

As Board members point out, it is good business to sell the bonds now and get the money for building while interest rates are around 2.5. These rates are rising. Even though all of the money will not be used now in a high-cost building period, the money at low-cost will be available when times become more propitious for construction activities.

The high school Board is using good judgment in the expansion policies it is evolving. The public should respond helpfully to good leadership by voting "yes" on the school bonds.

## Forget the Finals At the Formal

With our bruised and battered human beans bloody but unbowed ( ) we finally laid down our pencils in a gesture of fatigue Friday morning. After ten days and nights of cramming, test-taking, and odd hours, Friday morning was the last straw for anyone carrying a "heavy" at 7th period.

Now it's all over and only time (and goading the teacher) will re-

veal the results of a hectic last week in the first semester.

While "a" students are flatly declaring that they'll get "d's", "f" students assert hopefully that perhaps "c's" are in store for them. . . . and everyone eagerly prepares to go partying Saturday night in tune with the soft lights and sweet music of the Senior Formal. Granted that the preceding was a plug, but is there a better way to lose the oppressive remembrance of tests, tests, tests, than by dancing so lightly on your partner's feet and drowning your sorrows in punch and

## Gazoozit

The dictionary says that the word "sigh" means to exhale audibly in grief, relief, etc. Whether in grief or relief you may now breathe a sigh because gazoozit is here again.

Bob Fern is making the cutest racing rod in crafts class. Didn't see it parked out by the Air-base gym Friday night but there were lots of other cars there anyhow and inside watching the game I found Fern himself with Candi and Johnny Touchfarber. Coni and K.K. Jeanette Ofstun, Searles and Chuck and Sandy, Ellsworth and Bob Bell, Billie Jo Henry and Gunder, Gil Smith and Mary Cornman, Van and Nan, and lots of lone wolves and wolverines. We lost the B game but won the A and because everyone was in the mood to celebrate most of the kiddies made their way to a well-known spot where the elite meet. It was really quite a calm gathering even though it was so crowded that the people who had enough courage to move from one side of the room to the other had so little space that they looked like toe dancers or some other graceful souls. Too bad there wasn't a talent scout there. Scattered hither and thither were Billie Jo and Gunder, Don and Charlene, Candi and Fern, Jeanette and Johnny. All the rest were lone men who sat in various sections of the room counting the girls, but not doing much about the lack of them. Finally Galzy ended up with Jo and Whitehead with Dawn. The other fellows who escorted no one home but themselves were Nick, John Wilson, Bill Wilson, Jack Wiengartner and several others.

THEY'LL MAKE the cutest bachelors some day. It looks like we are going to have to start having gigolos around here pretty soon.

Before we hop on to Saturday and all its worthy events it's a good idea to let the world know that Audrey and Searles have traded rings which is substantial evidence that they are now on the steady list.

Saturday night was anything but dull. Something was cooking in every corner of the town. You could probably have smelled something burning if you had sniffed extra hard. Out at one mellow little stash the gang decided to have a little weiner bake. There was only one drawback. Everybody forgot the weiners. Gathered around the fire were Mr. and Mrs. Foster, Bonnie Sue and Wino, Virginia Miller and Chuck St. George, Jo Ann Wilkes and Don Whitehead, Mary Cornman and Gil Smith, Slocum and Landry, Jeanette and John Touchfarber, Jackie and Morie, Candi and Mac, Billie Jo and Gunder, Bob Morrison, Galzy, John Wilson, Gillar Boyd, Bob Fern, and a few others who honored us with their presence for a rare moment or two.

At another party over the hills and far away trudging through the sand were Ella Ruth Brown, Pat Ball, Marlene Knower, Mary Louise Klug with some boys from out of town. Different party perhaps but the same famous little entertainments.

ON THE SAME Saturday night Sandra Veano threw a Fudge Feast and a slumber party. At the fudge party were Barry and Jill, Mary and Earl, Chuck and Sandy, Jim and Nancy, Mabel, Cixie, Elanne, Vicki and Bessie Mae Mucho. Elanne, Jill and Barry made a cozy little trio. The girls who stayed to slumber after the boys had left were Sandy, Mary, Dixie, Elanne, Jill, Vicki and Mabel.

Fern looked like he was dressed for New York night life instead of a weiner bake. He was no cloudy dowdy in that sharp suit. Of course everyone had to use force to get their eyes back in their sockets—or are we exaggerating?

Picnicing Sunday was Ralph and Adelle, Anne and Tommy, Mabel, Dixie, Barry, Noel, Jill, Elanne, Vicki and Wally. They had a fine old hike and all that there stuff.

The kids have all been indulging in a lot of early swimming and sunning. Saturday Bonnie Sue, Jeannette, Virginia, Jo, Mickey and Betty Ann, and Van were all guests of Marilyn Ellsworth in Palm Village. After a bit of scorching under the sun the girls all went over to Ellsworth for eats. Bonnie Sue finally was able to satisfy her mad craze for dill pickles. Ou la la!

SUNDAY NIGHT Jay Gordon came down to Palm Springs to see Jo. There they sat absolutely unaware of a couple of pairs of roughish eyes that invaded the peace and solitude. People are funny. All you have to do for a big laugh is look in the mirror. No remarks from the peanut gallery.

Red Tompkins has a new name. We call him Purple sometimes

## Editorial

### STUDENTS ENDORSE BOND ISSUE

(By CONI TILGHMAN)

The board of directors of P.S.H.S. have made a momentous decision in regards to the future of the high school. They are asking the public to support a \$750,000 bond issue Tuesday, February 25, for present and future improvements of the school plant.

This is of vital importance to every student and adult in the community and should be endorsed by all.

This issue is of great importance to students of P.S.H.S. First of all it means a gymnasium which has been needed since the building of the school. If parents could only see the appalling conditions in the present gym facilities, they would immediately vote "yes" and urge others to do likewise.

The doors are coming off their hinges, side walls are rotting, and the walls in the showers are so rotten they're near collapse in both the boys' and girls' locker rooms. This sounds impossible in a community such as Palm Springs, but it is a fact.

These bonds will make the building of the gymnasium possible this year. In the immediate future the school plans call for an auditorium, swimming pool for both school and community use, and shop buildings. The bonds will provide these much-needed additions.

Palm Springs is rapidly expanding consequently the high school should keep in step with its rapid growth. The forth-coming bond issue will make this possible.

For a modern, well-equipped school for the leaders of the future vote "yes" on the proposed bond issue Tuesday, February 25.

and Fusia when he's bright. We don't call him Fusia very often. (Dirty remark No. 250.)

Today marks another week on the steady record for Bonnie Lou and Brady. Sally Robinson and Don Williams are still hitting it off fine as are several other twosomes. I'm not quite sure who Wally is going steady with now but there must be someone. There usually is with him even if it is a new one every day. There's something serious going on in Bob Flavin's life, too. I'm not sure what it is. He just has that look in his eyes.

In conclusion, before I leave my precumbent position I'll give you a few words of wisdom. Please keep your prominent proboscis out of other creatures' affairs. You never see me snooping!

## Business Session Held by GAA and Plans Discussed

The G. A. A. business meeting held January 27, was called to order by President Vivian Gautiello. The secretary, Barbara Jones, read the minutes of the last meeting and called the attendance roll.

The first business motion made concerned the hockey treasure hunt finale which will be held at the end of the hockey season. A motion was also made about having a G.A.A. assembly to let the students know who are getting awards and letters. Along the same line the treasurer Audrey Bentsen announced that she will start collecting dues for the second semester after the finals are over this week.

THE ADVISER, Mrs. Moya Henderson, discussed the letter which was received from Coachella G.A.A. students inviting the P.S. girls to a play day to be held there April 19. Plans for this however, will be discussed later. She discussed further ideas and plans for the coming G.A.A. convention which will include all of the organizations in Southern California to be held here March 15.

As a means to secure funds for the treasury a noon dance under a committee composed of Sally Robinson, Diane Heller, Audrey Bentsen and Barbara Beeton will be held Wednesday February 5th at 12:45.

After these ideas were discussed the meeting was adjourned.

## Idyllwild To Stage Benefit

Fifty gifts are to be given away by the committee in charge of raising funds for the purchase of a movie projector of the Idyllwild school, it was learned here today.

Mrs. R. B. Hatch and Mrs. James W. Weirs of that mountain-high settlement were in the Village yesterday acquainting their friends of the event. Tickets to the event are on sale at Nicholson's here on Palm Canyon drive.

The state of Ohio leads all others in the capacity for the production of both electric furnace steel and Bessemer steel.

## H. S. Assembly Has Cats Happy

The swing band under the direction of Gustave Patzner put on a strictly "solid" assembly last Thursday morning.

The program opened with the band playing a terrific jazz piece. Then followed "Little Gal in Calico." Community singing of "Ole Buttermilk Sky" and "To Each His Own," was enjoyed.

The talented Betty Jo Roth then played the first movement of the Mendelssohn Concerto in E minor on her violin.

In conclusion Alexander Hammond directed a couple of musical rounds in which all students participated.

## Indians Triumph On Court 36-14 Over San Jacinto

Palm Springs High School Indians bounced San Jacinto Varsity off the basketball court at the Palm Springs Army Air Base gymnasium, Friday. The score was 36 to 14.

Bob Jones, forward for Palm Springs, tallied 8 points to receive title of high point man. Jay Holderman trailed with 6 points.

The Indians made 4 fouls to San Jacinto's 13. Out of these fouls, San Jacinto made 2 and Palm Springs made 4.

The Indians lead all the way in the first period and at the half were ahead 19 to 8. At the third period the score was 36 to 14 in favor of the Palm Springs Indians.

The Indians' "B" squad is still in their favorite rut, losing again 19 to 46. They are still fighting however, win or lose.

## Juniors Discuss Assembly Session

A junior class assembly meeting was held Friday under the supervision of Ralph Remy, who is in charge of the junior class officers and the assembly committee.

After a number of suggestions a final decision was reached. This assembly will be of a kind that has never been given before. Another junior class meeting will follow to prevent the idea to the entire class.

## Queen for a Day To Be Guest Here Through Weekend

A reception fit for a queen is being planned here for the lucky bride who will be chosen as the "Queen For a Day" in a Mutual Broadcasting program of that name to emanate from KHJ in Hollywood Thursday, January 30.

The lucky bride who will arrive in Palm Springs with her bridegroom via Western Air Lines today at 12:27 p.m., will be greeted by Mayor Clarence Hyde, Chief of Police August Kettmann, Bill Ortwin, manager here for WAL and Mr. and Mrs. Jerry Weber, co-managers of the Palm Springs Pueblo where the newly married couple will occupy a luxurious suite during their stay in the Village.

SO THAT their stay in Palm Springs will be one they will never forget, arrangements were made to entertain them at the Palm Springs Tennis Club Friday night and Saturday afternoon at Frank Bogert's Thunderbird Ranch. Saturday night Queen for a Day will be the honored guest for dinner and dancing to the music of Ray Morton and his band at the Colonial House.

On Sunday Ortwin and the Webers will take the couple on a trip to the date gardens, La Quinta, Palm Canyon and other points of interest in this area.

MANAGER - OWNER George Thompson of the La Cita will furnish the "Queen" and her husband all principal meals.

Most of all, their breakfast, breakfasting a "Queen" and her new hubby, will be served in their suite at the Palm Springs Pueblo, courtesy of the management.

## Woman's Club Helps Seniors Plan for Formal

The senior formal will be held at the Woman's club, Saturday, February 1, beginning at 8:30. The senior class, according to its president, Ralph Woodward, has worked hard to make the dance very successful. Couples only will be admitted, with the admission set at \$1.75 a couple. The dance has been announced as "girl ask boy" dance.

Mrs. Hans Lauritz Hansen told Ralph this week that the school may have the woman's club for one of the school dances each year free of charge. In previous years the seniors have had to pay for the use of the hall.

"The Senior class members are thankful for this generous offer," said Ralph Woodward today.

"Hap" Arnold, guest at the hillside home of Nate Milnor, friend of eight years, said he was just beginning to slow up after his strenuous duties in World War II as commander of the Army Air Forces. Left to right they are: Nate Milnor, Mrs. Arnold, General Arnold and Robert Ransom.

## Palm Springs Yesteryears—

**SPIRIT OF TAHQUITZ**—Ten years ago there was an annual festival in Tahquitz canyon, at the Fire Play, in which Villagers, winter residents and Indians took part. Plans are being discussed to revive this event which attracted much attention here. Above is picture of the last "Fire Play" in which the Spirit of Tahquitz took part. H. H. Quackenbush, Indian agent at the time (1936), is being made a member of the tribe by a pretty Indian girl, who happily enough (so we're told) was named "Desert Sun." (Frank Partridge Photo.)

### Missed, Says Gorham as Prowler Escapes

Jack Gorham, manager of Estrilla Villas, South Bellard road, was contemplating joining the Coachella Valley Rifle and Pistol club today. He wants to improve his marksmanship.

Gorham found a would-be burglar on the premises and took three shots at him. The prowler escaped.

## Plans for Vet Housing Project Nears Completion

Anticipating the right to use 10 acres of city owned land as a site for a veteran's housing project, Barney Hinkle, president of the Palm Springs Housing Authority, announced that the application to the state for 90 percent of the financing was nearing completion.

**THE APPLICATION** which has to contain specifications, costs and architectural drawings has to be complete and thoroughly exact before being forwarded to state authorities, Hinkle said.

The \$35,000 local financing, Hinkle said was in the bag and the entire project will soon hinge on the granting of the ten-acre site by the city council.

**EXPECTING** favorable action by the city fathers Hinkle announced that 70 tons of building materials and three trucks have been purchased from federal surplus stocks which will be used in the construction project.

Recently the Housing Authority were successful in placing a "freeze" with War Assets Administration on 27 Torney Hospital buildings. Of this number 15 buildings will be selected to be converted into 100 apartments for veterans and their families.

Additional materials, Hinkle said, is steadily being accumulated. He also said that an engineering staff has been obtained and work on these plans are completed.

## Listen, World!

It's Clint Jones  
Broadcasting Today

Mrs. Clint Jones became the mother of a nine-pound, five and one-half ounce daughter Wednesday morning at the Queen of the Angels hospital, Los Angeles.

The little girl has been named Fay Loraine and will soon join her sister, Linda Lee, aged four, when she returns from the hospital.

As for Clint Jones, general manager of KCMJ, he expects to get his feet back on the ground come the Ides of March.

And speaking of the Ides of March—another exemption.

### Young Republicans Meet to Organize

First meeting to organize a Young Republican group in Palm Springs was held Wednesday evening at the Fiesta House on the Desert Inn grounds.

Organization plans were discussed and another meeting at which officers will be named will be called soon.

Joe Henderson presided at this week's meeting.

### Palm Desert To Be Site of Breakfast

Realtors of Palm Springs and many others interested in the steady development of the desert area, received invitations this week for a breakfast at Shadow Mountain at Palm Desert.

Cliff Henderson, subdivider of the Palm Desert tract 12 miles south and east of the Village, will be the host.

The event will start at 10 a.m.

## Chest Campaign Extended One Week to Feb. 8

With contributions now past the three-fourths mark, the Palm Springs Community fund campaign today was extended one week by Chairman Kenneth Kirk to allow the more than 100 volunteer workers an extra week in which to seek the last remaining \$7000 necessary to put the Village's fund appeal over the top of the \$35,000 budget.

At the same time the hard-working general chairman announced another change in plans for the combined hospital and community chest appeal as he threw the entire Village open to all solicitors instead of restricting them to the areas or fields of endeavor originally laid out for them.

**WORKERS** may solicit for funds anywhere they feel they can do the most good; what we wish to do now is to make certain that every person in Palm Springs who can and will contribute to this worthwhile fund shall have the opportunity to do so," he said.

At the close of the day's solicitation yesterday Chairman Kirk issued the encouraging "communique" announcing that the \$28,000 mark had been passed, with \$7,000 yet to be obtained.

**"THIS IS GOOD NEWS** for the wonderful group of volunteer workers who have been helping in this fine program," he said, but let's not become over-confident about reaching our goal. The last one-fourth of any such quota is always the most difficult to obtain since the contributions at this stage are the small ones. But I have utmost confidence in our workers that they are going to stick with the job until they put the campaign over the top!"

Although Saturday, February 8 now is the official closing date for the drive, the big report meeting for all chairmen and workers will be held as scheduled at 4 p.m., Monday, Feb. 3, in the Fiesta House of the Desert Inn. Every worker is asked by Chairman Kirk to be present and turn in reports and cash up to that time. Awards will be given the workers at this meeting.

**SATURDAY** will be "reward day" for the Boy and Girl Scouts of Palm Springs who have helped publicize the combined appeal in the Village by circulating scrolls on which residents' signatures have been obtained. Those who have obtained their quotas of names will be guests at a cake and ice cream feed at the Plaza theater at 1 p.m., Saturday through the courtesy of Earl Strebe of the Palm Springs theaters. At 1:30 p.m., all Boy Scouts will assemble at the theatre for special music program to be presented by Rudy Vallee of the Palm Springs Tennis Club. He will entertain with ventriloquism as well as music, and the show is expected to make a real hit with his young audience.

show is expected to make a real hit with his young audience.

Two Village organizations have already staged or will present events as benefits for the combined fund appeal. The Order of Eastern Star, under the direction of Mrs. Florence Murphy, will stage a benefit Valentine Day dance at the Tennis Club on the night of Feb. 14, all the proceeds to go into the community fund. The Frontier post of the VFW staged a dance recently and divided the proceeds between three charities, the combined fund receiving a third of the money. Appreciation for this cooperation by both groups was voiced by the general chairman.

**THROUGH THE GENEROUS** cooperation of Earl Strebe, contributions will be sought in the Village's theaters beginning Sunday night, and the week's total of these smaller donations is expected to help materially to bring the donations closer to the quota. A short talk will be given by a Village resident at each theater show during the week. Carl Haymond, well-known winter resident and radio station owner, will inaugurate the program Sunday night, and will be followed by Mrs. Dorothy Nussbaum on Monday and Chairman Kirk on Tuesday night. Other speakers will be announced later. Special awards of the day were announced by the chairman as follows:

**GOLD STAR** (One Gold Star, 1000.00 or 40 different collections; one extra Gold Star for each additional 1000.00).

Mrs. William B. Malouf and Mrs. Arthur Bailey, Mrs. Harold Hicks and Mrs. James Oliver, Jack Crommelin, Carl Lykken and Ken Kirk, Arthur Bailey and William Dean, William B. Malouf and Edward Bacon, Frank Cutler and Ernest Alschuler, William Colburn.

**SILVER STAR:** Mrs. Charles Mathews, Harry Williams and Culver Nichols, Raymond Wilson and Frank Camp.

**MERITORIOUS AWARD:** Dr. Hugh Stevens, Mr. Bob Hargis and Whitey Mead, Joe Henderson and Merrill Crockett, Mary Jane Hicks and Ernie Dunlevie, Carl Lykken and Margaret Hanbury, Glen Rogers and George Strebe, Mrs. Irvin Matloff and Mrs. I. Becker, Mr. O. M. Ward and Mrs. William Lippman, John Williams and Harry Houghton, Gordon Feekings and Jay Rollman, Mrs. Kenneth Kirk and Mrs. Ralph Shelley, Mr. John Ballard and Mr. William Ortwin.

**RED FEATHER:** Mrs. Francis Crocker and Mrs. Jimmy Shea, Mrs. Edward Bacon and Mrs. Oliver Janss, Mrs. Ernest Alschuler, Mrs. Dorothy Nussbaum and Mrs. Henry Goldenberg, Mrs. Ann Wyman, Mrs. Fred Ingram and Mrs. Newton Hotchkiss, Mrs. Clay Borden and Mrs. Louisa Sanborn, Mrs. Virginia Farrell and Mrs. John Ballard, Mrs. Walter McManos and Mrs. Earl Cordery, Mrs. Harry Harper and Mrs. Harriet Henderson.

**Time for Filing  
Benefit Claims to  
End Feb. 10**John H. Johnson, manager of  
the San Bernardino field office  
of the Social Security adminis-  
tration said today that many sur-  
vivors of some 40,000 deceased  
war veterans will lose benefits  
due them unless they file neces-  
sary claims by February 10.The families in question are  
those of veterans who died after  
discharge but before August 10,  
1946. Such families who are not  
eligible for veterans compensa-  
tion or pensions and who meet  
other requirements of the Social  
Security Act are entitled to in-  
surance payments retroactive to  
the time of the veteran's death.**THEY STILL** will be eligible  
for monthly payments after Feb-  
ruary 10, but the retroactive bene-  
fits will be lost if application has  
not been made by then.Families of veterans dying  
within three years after discharge  
are entitled to special Social Se-  
curity payments, in keeping with  
legislation passed by the last Con-  
gress. In the case of death occur-  
ring after August 9, 1946, the  
payments are retroactive to a  
maximum of three months prior  
to the date of application.**SOCIAL SECURITY** officials,  
said Mr. Johnson, have estimated  
that about 40,000 veterans died  
after their discharge and prior  
to August 10, 1946, and their de-  
pendents are eligible for bene-  
fits. The survivors of any vet-  
eran who died prior to that time  
should come at once to the Social  
Security Administration office at  
Room 403, Anderson Bldg., San  
Bernardino.**Business Women  
Elect Officers at  
Evening Meeting**The Palm Springs Business  
Women's club held its regular  
business meeting Wednesday eve-  
ning at the Fiesta House.Eleanor J. McClaskey, director-  
at large of the Southern district  
of the California Federation of  
Business and Professional Wom-  
en's club and Ruth Warren, city  
council, of Riverside, addressed  
the local women on organization  
and expressed the hope that they  
would become affiliated.During the evening, new of-  
ficers were elected, Pegi Scott  
as correspondence secretary, Ann  
Goldberg as treasurer, Enid Arm-  
strong as publicity chairman and  
Mrs. L. B. Jackson serving as  
recording secretary pro tem in  
place of Eva Menard who is  
visiting her homeland in England.Several members and their  
guests motored to Banning for  
a Mexican dinner at the El Oro  
Grill following the closing of the  
meeting.The next breakfast meeting will  
be held at the Desert Inn Coffee  
Shop February 6 at 8 a.m.Not until we find ourselves in  
a depression will you see people  
returning to the farms in appre-  
ciable numbers. — Prof. Herrell  
Degraff, Cornell U. agriculturist.The Union Stockyards at Oma-  
ha Nebraska are amongst the big-  
gest in the country.Tune to 1340 at 5:25 P. M.  
for NewsThe Social Life of Palm Springs  
in Don Caballero**Belated Returns  
From Seal Sales  
Still Coming in**Returns from the sale of  
Christmas Seals have not yet  
reached the full goal required to  
meet the needs of the 1947 tu-  
berculosis control program, ac-  
cording to Mrs. Robert W. Peter-  
son, Seal sale chairman for Palm  
Springs in announcing that \$1-  
676.39 had been collected so far  
in this area."Money continues to come in  
from those whose contributions

have been delayed," she said.

Two hundred eighty "Lamp-  
lighter" reminder cards will be  
received this week by those who  
have overlooked mailing in their  
returns and it is anticipated that  
when all are heard from who  
are accustomed to support the tra-  
ditional campaign against tuber-  
culosis the goals will be met or  
exceeded.Anticipating a generous re-  
sponse to this reminder, Mrs.  
Peterson said that the usual  
schedule of chest clinics and visits  
of the mobile X-ray unit has  
been made, designed to serve  
every school district and com-  
munity in the county.It has been estimated that the  
Soviet Union had 22,000,000 men  
under arms in World War II.A total of 151,202 persons were  
trained in war production be-  
tween 1941 and 1945 under a Uni-  
versity of California program.The United States has over  
12,000 miles of seacoast and more  
than 18,000 miles of inland water-  
ways.**WE ARE OFFERING A SELECT FEW  
LA QUINTA LOTS**In pairs (100x100)—beautiful locations, zoned for resi-  
dential income. Attractively priced, below prevailing  
quotations.

## PALM DESERT . . . . . Something New Under the Sun

VOX POP—Above, the beautiful Palm Springs Tennis Club where the popular CBS program, Vox Pop, will originate next Tuesday and below, left, Parks Johnson, and right, Warren Hull, who conduct the show. (Tennis Club photo by Bernard of Hollywood.)

#### MORE ABOUT . . .

### Vox Pop . . .

Frank Sinatra, Palm Springs Easter Sunrise Services and We the People. Its opening a year ago, was celebrated by Sinatra, Danny Kaye, Vox Pop, and Ellery Queen in nationwide salutes.

Dick Joy, associated with Vox Pop since 1933, resumes as announcer on the show during its western swing.

KCMJ EXPRESSED its appreciation to Lee Bering for use of the famous Tennis club for the broadcast and to the chamber of commerce which is taking care of the line charges. Jack Donahue of the local station, was appointed assistant director for next Tuesday night's Vox Pop program.

The salute to Palm Springs will be heard locally over KCMJ.

Phillip Murray, president, C. I. O.

"American industry, by and large, is engaged in the greatest strike that ever took place in America."

POPULATION of the Pacific Coast states is zooming, he told the New York reporter.

"And we are in a position to support this growing population," he said. "The West Coast is one of the most productive areas in the nation, both in agriculture and in industry. The West Coast is the springboard for a vast export trade."

A CIVIC LEADER in the Northwest, McGovern is well qualified to discuss the coast's future.

He is head of McGovern and McGovern, salmon packers, and of the Monitor Fishery. He is also prominent in Seattle Red Cross affairs and in the annual March of Dimes.

He is head of McGovern and of Washington's exhibits at both the San Francisco and New York expositions.

AT PRESENT he is chairman of the Alfred E. Smith Memorial fund and discussed this with Francis Cardinal Spellman when he dined with His Eminence at the Archbishop's residence.

While in New York McGovern also visited James A. Farley, former chairman of the Democratic national committee, and was guest of Walter Griffen, editor and publisher of the New York Enquirer.

The two met in Seattle thirty years ago when Griffen was on the staff of the Seattle Post-Intelligencer.

doing so is a bit out of my scope. . . . So I think I'll just remain a bum and spend my declining years reading the Desert Sun. . . . Must get busy and make his declining years happy. . . . Jimmy Shea of the F.S.P. was just in. . . . He had a calendar that that railroad had issued which featured a picture of Palm Springs. A note was attached from Charles Little, demon publicity man for the S.P.—"If that doesn't comment on that calendar tell him I've thought up an excellent scheme for revenge. . . . His name won't be Phat long."

WELL, so long for a while and don't forget—have the postmark on your auto license application dated before midnight, Feb. 4.

Tuna, the largest member of the mackerel family, is found in all warm ocean waters and is particularly important in the Mediterranean and in the North Seas.

## Mayor Edward J. Kelly of Chicago Sees Bright Future Ahead for Palm Springs As He Makes His First Visit to Village

His first trip to Palm Springs instead of Miami, Florida, where he has gone in the past, Mayor Edward J. Kelly of Chicago tied the destiny of this community to the growth of Los Angeles and surrounding metropolitan centers, declared that the Village looked like a boom town to him, said that the Tramway would bring people here who have never been attracted to the desert before and concluded by saying that Republicans would be eating snowballs now if it hadn't been for Franklin Delano Roosevelt.

In Palm Springs a little more than a week, Kelly was amazed at the activity here, said he experienced a feeling in walking down Palm Canyon Drive, that the town was booming.

"NEVER SAW so much activity in a town this size before," Mayor Kelly said. "The business here already coupled with the fact that it has a reservoir of more than 5,000,000 potential customers to draw from, means this Palm Springs should go places."

He added that the rain and wind on Tuesday was nothing compared to the weather his constituents back in Chicago are experiencing and what sun there was on that day he enjoyed immensely.

"IF THIS PLACE was close to Chicago," Kelly earnestly declared, "I'd build a home here." He said that this was his first trip to the desert and the Village. Previously he and Mrs. Kelly spent part of the winters in a home just sold, in Miami, Florida.

Appraised of the plan to build an aerial tramway to the top of Mt. San Jacinto, the Windy City Mayor, became jubilant over the prospects for this community.

"Why an aerial tramway to the snows of San Jacinto will bring untold hundreds to Palm Springs that were never attracted here before."

HE SAID these visitors would be winter sports enthusiasts and compared them to the thousands that go skiing in the hills of upper Wisconsin.

"Where," he asked, "would these people find a place in this country where they could play in the snow to their heart's content and then come down to the desert to bask in the sun?"

The nationally known Democratic mayor didn't have a lot to say about politics but what he did say was full of punch and Irish wit.

"NOBODY CARES anything about Republicans or Democratic parties except the politicians themselves," the mayor opined. "You know, children don't cry for either party like they do for Castoria."

He said that millions of Republicans voted for President Roosevelt and they will vote for President Harry Truman if he runs in 1948.

"And Truman will win," Kelly prophesied, "if the demoralized Democrats turn to the offensive and the country gets back on an even keel."

HE ADDED that nobody cares what party is in office if conditions are prosperous and hoped that business leaders and thinking persons would get together and help put the country on the right track in this aftermath of World War.

"And the Republicans can help to do this, if they are not dyed in the wool kind," the mayor earnestly declared. There are two kinds of Republicans, those whose fathers voted that ticket and won't change no matter how good a Democrat is, and the broadminded kind."

REPUTED to be a great admirer of president Roosevelt, Kelly said that the deceased president saved the world and if it had not been for him Republicans and others would be eating snowballs today.

He refused to speak for the record regarding possible successful Republican candidates for the presidency but he did say he liked former Minnesota Governor Stassen.

"WITHOUT A DOUBT the Republican party will have to throw some of its conservatism overboard if they hope to win the 1948 election," the mayor declared. "Taft in order to win his party's nomination would become more of a liberal and he felt that Senator Vandenberg would do the same in his try for the candidacy."

The towering Chicago mayor plans to spend a month here and he and his wife will be joined later by his son, a freshman at Santa Clara.

His honor had nothing but the nicest things to say about Charley Farrell and his Racquet Club where he spent a week. He moved to a private home Wednesday afternoon.

Herbert Morrison, British Labor Party Leader: "No government can guarantee full employment."

#### MORE ABOUT . . .

### City's Plans . . .

and disposal plant. This would ease the long over-burdened plant operated by the city and allow time for its repair. The problem now, the city executive declared, is the method of financing to use in connecting the city plant with the one the army is allowing the city to use and additional sewer mains for other sections of the city.

"WE FEEL that a bond issue for this work would not be necessary," Alworth said, "but instead to charge a service connection fee. If this is done the bond issue could be used for other purposes of improvement."

Alworth compared Miami Beach, Florida, and what that city is doing in solving its parking problem. He pointed out that Miami with a population of 28,000 persons floated a bond issue amounting to \$350,000 with which to finance 16 metered lots.

"The off-street parking problem in Palm Springs could be attacked in the same way," Alworth implied.

THE PLAN also includes fire hydrants to be installed at a cost of \$5,000 and the fire station at the South end of town would cost \$20,000 to construct and another \$15,000 to equip properly. An adequate addition to the police station, it was estimated would cost another \$10,000.

Alworth urged the citizens of Palm Springs to decide what they wanted in the way of improvements for the betterment of the community and then strive for the accomplishment.

This is a problem that needs the cooperation of the city school officials, the district hospital group and other civic organizations, the city manager emphasized.

PICTURING the crowded conditions at the city hall, Alworth said the present offices is a converted bungalow and figuratively workers there were bumping into each other and sitting in each other's laps.

"It is hard to accomplish the work that has to be done daily in such crowded conditions," the city manager declared.

At the Rotary meeting Arthur Bailey eulogized Paul Harris, founder of the Rotarian movement throughout the world and whom he knew personally when he lived in Cathedral City. Announcement of his death was heard here this past week.

### Schedules For Your Convenience

Incoming mail is distributed at a. m. and 4 p. m.

SOUTHERN PACIFIC, James G. Bhea, traveling passenger agent, 247 North Palm Canyon drive.

Eastbound trains pass through Palm Springs at 1:40 p.m., 1:55 p.m., 3:20 p.m., 11:01 p.m., and 11:20 p.m.  
Westbound trains pass through Palm Springs at 2 a.m., 3:45 a.m., 6:32 a.m., 11:06 a.m., and 5:58 p.m.

WESTERN AIRLINES, Planes leave Los Angeles daily at 6:15 a. m. arriving here at 7:12 a. m. and leave Los Angeles at 1:30 p. m., arriving here at 2:15 p. m. Westbound planes leave here at 9:19, arrive at Long Beach at 10:09 a. m. and Los Angeles at 10:34 a. m. Afternoon plane leaves here at 2:45 p. m. and arrives Los Angeles at 3:40 p. m. Direct connections at Los Angeles for San Francisco, Oakland and San Diego and at Long Beach for San Diego.

PACIFIC GREYHOUND LINES, Depot on Indian at Andreas road, R. R. Dunlap, agent. Westbound buses for Los Angeles at 2:07, 7:38, 8:43, 9:37, 10:47 a.m., 1:47, 2:22, 9:15 and 9:37 p. m. Eastbound buses from Los Angeles arrive at 1:13, 5:53, 11:25, 11:38 a.m. and 3:25, 4:50, 6:31, 7:43, 7:48, 9:42 p.m.

BAILEY vividly remembered how in the year of 1940-41, Harris helped in founding the local Rotary club and was present when that organization received its charter.

"Harris was an intellectual and well educated lawyer," Bailey said. "He traveled all over the world and made friends wherever he went. Harris left us with a legacy of character, good will toward men and a code of ethics Rotarians should be proud of."

## Great Days Ahead for West Coast Says E. B. McGovern, Well Known Winter Resident of Palm Springs

E. B. McGovern, winter resident here for many years, "made" a column in the New York Enquirer the other day with his predictions of big things and prosperous days ahead for the West Coast area.

McGovern, Seattle businessman and civic leader, has been coming here for many years. He recently left Seattle for New York, Washington, D. C., St. Louis and son.

Chicago and expects to arrive in Palm Springs this week-end to spend the remainder of the season.

## Divorce Suit Follows Indian Land Ruling

### Lee Jose Arenas Sues Wife, Seeks Fund Accounting

Lee Jose Arenas, 68-year-old Mission Indian and member of the Agua Caliente band who was projected into the national picture when the Federal Ninth Circuit Court of Appeals declared that his right to a 94 acre allotment of land here was legal, filed suit for divorce in Riverside Tuesday from his wife Marian Terese Arenas, 32, member of the Pala tribe.

In his petition he asked a court order for an accounting of funds held by his wife, contending she had retained \$35,000 of his money. He also sought possession of his allotment of land here, used for years as a trailer camp. The rental from this property each month during the season has been estimated at \$2,500 a month.

AT THE TIME the circuit court handed down its decision, which may now be taken to the Supreme Court for review, according to the Department of Interior, Mrs. Arenas told newsmen that her husband had to remain under the care of physicians on the Pala reservation and that he was content to spend his time at the home of her mother

### New Guest Ranch Being Developed

Another new subdivision at the outskirts of Palm Springs is under development and will be offered for sale soon.

Developer is Hiram C. Helm, well known rancher and businessman. He was recently pictured in Calvert advertisements in national magazines throughout the nation as a "man of distinction."

His beautiful new home is nearing completion on his Flying H ranch which is being subdivided.

His ranch is located near the Wonder Date Gardens and the Thunderbird ranch.

The complaint was filed by the attorneys who also represented Arenas in the land suit. The value of Arenas' land has been estimated to range in price from \$15,000 to \$30,000 an acre.

We have been able to forget that Communist Russia was our great and glorious ally only a few months ago. We ought to watch that memory of ours. We shall forget ourselves into a war one of these days.—Dr. Robert M. Hutchins, chancellor University of Chicago.

### Kiddies' Matinee At Plaza Theatre Finds New Talent

The kiddies matinees, which take place every Saturday at 1:30 at the Plaza theatre, are doing a wonderful job of bringing suitable entertainment to the children of the community.

The shows are run and participated in by the children, with the cooperation of Earle Strebe, and under the direction of Roy Randolph, dance instructor, Holly Lash Visel, vocalist and Lois Lux, accompanist, who give freely of their time.

ANY CHILD interested in participating should report to the theatre for try-out and rehearsal at 12:30 on Saturday. Last Saturday's matinee brought forth an interesting and varied display of talent.

Petite little Patsy Sanders, a four-year-old miss from Cathedral City, opened the program, modeling an original twopiece cocktail dress of imported French organdy, edged in Valenciene lace, from the Debutante shop in the Plaza.

SHE WAS FOLLOWED by Dicky Poliak, singing Zip-A-Dee-Doo-Dah. Next on the program was a soft shoe dance by Joan Baker, followed by a vocal duet by Carolyn Knupp and Judith Watlet. Jack McDonald completed the program with a piano solo, a swing version of Loch Lomond. Donald Baker served as master of ceremonies and Ted Robinson as stage manager.

Each week the stage show is followed by audience participation in songs, arranged by Mrs. Visel, for their appeal to children. This is followed by four cartoons, a serial and a full length feature.

The feature this week will be Jane Withers in "Pepper."

### Meet Here, Launch Flight Eastward

Donald Douglas, head of the Douglas Aircraft corporation flew into Palm Springs Tuesday afternoon in a DC13 and at the local airport picked up C. L. Egtvedt of the Boeing Aircraft company of Seattle.

He took off shortly after landing with his guest for Tulsa, Oklahoma.

Egtvedt plans to return to Palm Springs next week via Western Air Lines.

### Tax Notes

By EDWARD J. NELISSEN

#### INDIVIDUAL TAX RETURNS

There are three different forms which may be used in filing tax

1—The Withholding Statement (Form W-2).

2—The Short-Form Return on Form 1040.

3—The Long-Form Return on Form 1040.

The withholding tax receipt (W-2) received from the employer, covering remuneration subject to withholding, may be used by the taxpayer if the gross income from such remuneration is less than \$5000.00 and income from dividends and interest does not exceed \$100.00.

The filing of this form is very simple. On the back of the form you fill in line 1, writing the total of the wages shown on this receipt and any other receipts from other employers. On line 2 you write the total of your dividends and interest, from which no tax was withheld. Line 3 is the total of line and line 2. On line 4 (c) you split the income in HALF if you are married and fill in the appropriate spaces.

On the righthand side on the back of the form you list your name, that of your wife and dependents. If more than one receipt is involved, attach all receipts securely together. Receipts of both husband and wife can be filed together.

Sign and return and, if you are married, your spouse must also sign the return. Mail the return to the Collector of Internal Revenue of the district in which you live.

The tax collector will compute your tax from this form and bill you for the difference or, if you have overpaid your tax through excessive withholding you will receive a refund. The tax will be computed according to the regulations by the use of the tax table which automatically allows 10% of your total income for charitable contributions, interest, taxes, medical expenses, etc. Therefore, if these items amount to more than 10% of your total income you should not use this form.

(Next Friday: Advantages and disadvantages of joint and separate returns of husband and wife.)

### Company Formed to Handle Sales at Borrego Springs

Fred W. Marlow, secretary of the Borrego Land and Development company, today announced formation of the Borrego Springs company which will handle sales of property in the new multi-million-dollar Borrego Springs desert resort community project.

Officers of the Borrego Springs company will be located at the following addresses: 3757 Wilshire boulevard, Los Angeles; Robert Ransom, realtor, the Plaza, Palm Springs; 436 Upas street, San Diego; Harrison R. Baker, 393 E. Green street, Pasadena, and the Borrego Springs tract office at the site of the development.

ALTHOUGH the property has not yet been offered for sale to the public, Mr. Marlow predicted an announcement to this effect would be made in the next few days. "We expect a complete sell-out of our first subdivision as soon as we open the property to the public," Mr. Marlow said. "Evidently the public has had enough of the swollen prices at other desert resorts, and appreciates an opportunity to get in on the ground floor of the planned resort-community we are building at Borrego Springs."

Borrego Springs is located 165 miles southeast of Los Angeles and 85 miles northwest of San Diego in the fertile bottom of the vast Borrego Valley.

## Other Towns, Other Papers, But For This Town... This NEWSPAPER

# THE DESERT SUN

The Desert Sun of Palm Springs is edited, designed, planned, and published wholly for Palm Springs. IT IS YOUR newspaper, its very being is dedicated to serving Palm Springs, first, last, and always. IT IS made-to-order for the Village.

IT IS the ambition and aim of the publishers, editors, advertising managers and all members of the staff to see that Palm Springs gets the news and business stories that interest Palm Springs citizens. IT IS the ambition and aim of The Sun staff to present this information in the most attractive and interesting manner—for, after, all, Palm Springs citizens deserve the best.

This applies not only to the comings and goings of Village residents, or home owners here, of citizens in all walks of life—it applies also the the advertisers. The merchants serve you, that's what they are here for, and The Sun is happy to be able to present their message to you. Advertising is a part of the news. It's a part of the community life. It makes for more comfortable living.

Your local newspaper—and that is what The Sun is proud to be called—is happy to have the opportunity to tell you the news of the Village and of the merchants who are here to serve you.

For a bit of interesting reflection—think of the situation here WITHOUT your home town newspaper to serve you.

You can't beat circulation—coverage—and reader interest! The Sun's circulation, built up over a period of twenty years, is truly great, and goes into most of Palm Springs' homes—and is read by all the Village Visitors. The Desert Sun's sworn statement of circulation last October 11, 1946, of approximately 4000 circulation, which means, according to accepted statistics, about 16,000 readers, is now augmented by the Tuesday's issue of the paper—assuring every advertiser coverage of every good reader in Palm Springs, and assured results in his advertising.

# Churches

## Beverly Hills Pastor to Talk at Episcopal Church

The Rev. J. Herbert Smith, rector of All Saints Episcopal church, Beverly Hills, will be the guest preacher at St. Paul's in the Desert Sunday morning.

Before he came to California he was for eleven years associate rector of Calvary Church, New York City—a great parish of which the Rev. Sam Shoemaker is the rector. Under his able leadership All Saints, Beverly Hills, is in the throes of a building operation for a complete new plant in that fast growing community.

Palm Springs Episcopalians are enthusiastic about their plan to erect one wing of the future parish hall this summer to house the Sunday School with seven separate classrooms. \$2,304.50 have already been contributed to the special fund. It will make possible also a nursery class during morning service for which there is great demand.

The Guild of St. Paul's in the Desert met Tuesday at the home of Mrs. H. Earl Hoover, Smoke Tree Ranch. A benefit tea with entertainment is planned for Shrove Tuesday, February 18, 3 o'clock, in the Tennis Club—the proceeds to go toward the Sunday School building. Mrs. Kenneth B. Kirk was appointed chairman of publicity for the Guild.

Confirmation classes are under way at the Episcopal church: Junior High grades, Wednesdays at 4:00 p.m.; Adults, Friday nights at 7:30 p.m.; High School students, Sunday nights at 7:00 p.m. Those already confirmed who desire a refresher course are welcome to listen in.

Women of the Eastern Star provided the dinner which won high praise.

Mrs. William M. Davis presided and introduced the participants in the program.

Guest of honor at the dinner were the Rev. W. H. Reherd, former president of Westminster college, Salt Lake City, and his daughter, Mrs. Robert Steel, wife of the present president of that institution.

Dr. J. R. Macartney, pastor of Community church, brought the meeting to a close with a few remarks and the benediction.

## Annual Census by States Scheduled on Sunday Morning

Next Sunday is All States day at Community church, the annual Geographical census, taken when members of the congregation list their native states. The census will be taken at the 11 a.m. service.

With people here from all over the United States, Canada and some foreign lands, the annual Geographical census always arouses much interest.

LAST YEAR at the census, 39 states and 14 foreign countries were represented in the congregation.

California topped the list with 42, with Iowa second with 19. New York, 17, Illinois 16, Pennsylvania 12, Missouri 12, Minnesota 10. Even the District of Columbia was represented. Among foreign countries, Canada was first with 11 and England second with 8. Other nations represented were Bermuda, Denmark, Germany, Macedonia, Panama, Scotland, Yugoslavia and Czechoslovakia.

CLAIMING CALIFORNIA as their permanent residence out of all of the various states and foreign lands listed, were 191.

Dr. J. R. Macartney, pastor of Community church, urged villagers, natives of California, to be present to stand up for their state and keep it in the lead.

The following Sunday, Feb. 9, the annual census by religious faiths will be taken.

## Youngsters of Church Choirs At Picnic Event

Thirty young singers from the Community church, members of the Blue Nightingales and Junior Choristers who are heard every Sunday at the church, enjoyed a picnic at Desert Hot Springs recently. The outing was as a reward for faithful attendance at rehearsals and at church services.

They left the Village at 9:30 a.m. and as soon as they got to Desert Hot Springs, swimming in the pool was in order. Then followed lunch and games on the new school playground. A birthday celebration was staged for little Carolyn Knupp, youngest member of the organizations.

Six carloads of the children were in charge of Mrs. Hubbs, Mrs. Charles McDonald, Mrs. P. M. Swart, Mrs. Clarence Purnell, Henry Greeley and Holly Lash Visel.

Mrs. Visel is director of music at the Community church and in charge of the youngsters.

## Capacity Throng Attends Dinner Of Church Group

Every place was taken last Tuesday evening at the monthly dinner of the Community church when an enjoyable program was presented under direction of Holly Lash Visel and Mrs. Lois Lux.

## Singers Urged To Join Easter Service Choir

A call for all singers who wish to participate in the annual Easter Sunrise service on the hillside back of the Desert Inn was issued this week by Holly Lash Visel, director of music at Community church which sponsors the event.

Rehearsals for the service are already under way and all singers in the community are urged to join in the great chorus which will greet Easter dawn. Rehearsals are held each Thursday night at 7:30 o'clock at the Community church.

The entire service will be broadcast over a major network.

GRACEFUL—Charlotte Ashley and her partner dancing at the Desert Inn on Saturday nights insist that any of their pupils can perform the same steps with equal grace and rhythm. They teach the Arthur Murray system of dancing, internationally known.

**School of Dancing  
Opened by Murray  
at The Desert Inn**

Dancing the way the international master of the art, Arthur Murray, wants it taught, is being shown here by Tommy Watson and his partner, Charlotte Ashley, in classes the two conduct at the Desert Inn.

The Arthur Murray School of Dancing, which recently received nationwide publicity in magazine stories, operates schools in most of the large cities of this country, Paris, Rio de Janeiro and London. The Murray system, according to published stories, insists that teachers under its program, undergo training from time to time in order to keep abreast of the latest steps. In addition, instructors are appraised for their personality and ability to teach from time to time.

Both Watson and Charlotte Ashley declared that they are not exhibition dancers and any of the dances they perform at the Desert Inn on Saturday nights, they said, can be done by any of their pupils.

The couple teach the Fox-Trot, Waltz, Swing, Rhumba and Tango.

**Curl Girl Opens  
Studio in Village**

Lorene Lester, permanent wave artist, known in the screen capital as The Curl Girl, has transferred her Beverly Hills hair styling from Beverly Hills to Palm Springs. She is now affiliated with the House of Glamour here. Miss Lester invented the "Controlled Curl Size" permanent wave—she can give curls of any size—and is manufacturing her revolutionizing invention in Santa Monica.

**WAA Officials,  
City To Confer  
on Airport**

Officials of War Assets Administration who were to have been here last week to work out final details of the interim permit under which the city and Mrs. Mary Nelson are operating the Army Air field, are now scheduled to arrive sometime this week.

Inspection, inventory of buildings and equipment, by these officials is expected to form the basis for the formal application Palm Springs will submit to the government for final transfer of that part of the field and buildings deemed necessary in the operation of a municipal airport.

**Schools Preparing  
Expansion Program**

Looking forward to an all-over expansion program for the elementary schools of Palm Springs and adjacent territory, the trustees of the Desert School district have been busy during the past year making a comprehensive inventory of the present setup, trends of population growth, and probable need for additional school sites, it was reported today.

The first step in this survey was the retention last season of Marshall and Stevens, valuation engineers from Los Angeles, to prepare an appraisal of the Desert School district. In June, 1946, their classified valuation report upon the buildings and equipment of all schools of the district was completed and submitted to the trustees in a bound volume. Two copies of this volume are on file at the district office and anyone interested is welcome to drop in and peruse them, Miss Katherine Finch, district superintendent, said.

The second major district investigation is taking place at the present time and involves a survey of the entire school district area as a basis for spotting new school sites to take care of future growth and expansion. Harry E. Bergh, planning director of the City of Palm Springs, is working with the Desert School district trustees in making this study which will be completed in the near future. It is the intention of the trustees to purchase acreage of from five to ten acres for each prospective school site thus spotted and hold until such time as new school plants are needed as a result of new subdivision developments.

From where I sit ... by Joe Marsh

**Sam Hackney Reports  
on the U.S.A.**

Sam Hackney and the missus just returned from a trailer trip around the country. They're tired, and glad to be home, but might be impressed with what they saw.

As Sam reports—every section has something different; a different way of talking; different tastes in food and drink; different laws and customs. But bigger than all these differences is the American spirit of tolerance that lets us live together in united peace.

"Of course," says Sam, "you run into intolerance from time to

time. Individuals who criticize another's right to speak his mind; enjoy a glass of beer; or work at any trade he chooses. But those are the exceptions—and we're even tolerant of them!"

From where I sit, more of us ought to make a trip like the Hackneys—to realize firsthand how America is bigger than all many differences... how tolerance of those differences is the very thing that makes us strong.

Joe Marsh

**No Need to Increase  
Your State Gasoline Tax!**

STATE HAS ENOUGH MONEY  
TO BUILD NEW ROADS  
WITHOUT INCREASED TAXES!

**The Oil Industry believes:**

California highways must lead the rest of the nation.

New highways must be built.

Our highways must be kept repaired.

But facts show that it isn't necessary to increase your gasoline tax to accomplish these objectives.

**READ CAREFULLY:**

1. Highway funds now available total . . . . . \$140,000,000
2. During the next four years total highway revenue from all sources will add to the fund This totals . . . . . \$668,000,000
3. Expenditures during this period (repairs, new roads and including the projected State super highways) will cost an estimated . . . . . \$633,000,000
4. This will leave a surplus of . . . \$ 35,000,000

In other words, all major improvements in California highways during the next four years will still leave a multimillion-dollar surplus in the highway fund without raising taxes.

**The Big Question is:** Why does the State want additional hundreds of millions of dollars of YOUR MONEY during the next four years?

How will this money be used?

Before our gasoline sales tax is doubled (or even increased), every citizen in California has a right to know in detail where his money is going.

**Right now** a special session of the California legislature is considering this tax increase. There is no time to lose.

Express your views on this important matter. Write today to your Assemblyman and State Senator. Address him: State Capitol, Sacramento, California.

A 3c stamp can save you 3c a gallon for years to come!

**Western Oil and Gas Association**

"There is no apparent reason why the State gasoline tax should be doubled, or even increased. The Western Oil and Gas Association challenges the advocates of higher taxes to refute with detail the facts here presented."  
RALPH B. LLOYD, President

**Horseback Riding Great for  
Character and for Digestion**

Palm Springs is pretty well horse minded and one out of every two are experienced saddle persons. So this article, in a Wabash, Ind. paper handed Earle Strebe at a recent Rotary meeting by a visitor, is of especial interest here.

The clipping Mr. Strebe sent The Sun follows:

Chicago—Give a man a horse he can ride, Wayne Dinsmore said today, and it will build his character, aid his digestion, and bring joy to the horse and mule association of America.

Dinsmore is executive secretary of the horse and mule association which is dedicated to aiding and encouraging the breeding, raising, and use of horses and mules. The association, Dinsmore said, is resigned to the fact that the automobile is here to stay, but the horse and mule men are encouraged by an upswing in the population of riding horses.

**THE NUMBER** of riding horses has increased by 50,000 in the past six years, and Dinsmore believes that is a sign that people are headed in the right direction. He said increased horseback riding would stimulate the horse breeding business, as well as the riders.

No other form of exercise so fully affects every nerve and organ of the human body in a healthy way as does horseback riding," Dinsmore said.

**HERE** are some of the things Dinsmore said riding will do for you—after you learn to ride:

1. You will concentrate on the thereby forgetting about your horse and upon keeping on it, troubles.
2. You will get a healthy pink glow more quickly and more enjoyably on a horse than in any other sport.
3. Nothing will put your digestive organs into proper working order as quickly and easily.
4. You will breathe deeply, your joints and muscles will be flexible, and your heart will be strengthened.
5. Your posture will be improved.

proved.  
6. You won't accumulate fat in the wrong places.

7. You will build your character, growing in self-confidence, self reliance and courage.

**AN INCREASING** number of people are buying their own horse, but many still rent them by the hour, Dinsmore said.

"A lot of people think that riding is a rich man's sport, but actually it isn't," he said. "You can buy a horse for any price from \$100 to \$15,000.

"Then all you have to do is find a place to ride it."

**At the La Paz**

Mr. and Mrs. D. M. Tittleman, who are spending the month at La Paz Guest Ranch from Cedarhurst, N.Y., were luncheon hosts this week to Gabby Hayes, western movie idol of so many youngsters, and Mrs. Hayes. When the Tittlemans were at La Paz last year at this time they met the Hayes, who also were guests at the ranch. Just recently the Hayes purchased a desert home in Palm Village, so the bearded western star will be another from the movie colony having a home in this locality.

Returning from another visit at La Paz this season are Mr. and Mrs. Philip Bancroft of Walnut Creek, with Mr. and Mrs. Griffing Bancroft of La Jolla. The foursome met for a two-week sojourn at La Paz last season at this time.

**NOT ONLY** do La Paz guests learn all the western dance steps at the weekly western dance each Friday evening, which follows the buffet supper, but now they also are learning the samba and rumba. Roy Randolph was at La Paz Tuesday night showing the finer points of the South American rhythms.

Wednesday's picnic luncheon saw a long procession of horses and riders taking off from the newly completed La Paz stables for a ride to the beautiful canyon, where a big luncheon was awaiting their arrival.

**HERE THIS WEEK** to stay until mid-March were Mr. and Mrs. E. S. Glaspie of Vancouver, with their two children, Richard and Stratton. Bill Lewin, one-time Olympic diving champion and now appearing in motion pictures, has been giving the youngsters swimming and diving lessons. Bill, who is better known to his movie audiences as Bill Wallace, will leave soon for Honolulu to appear in a revised version of "Robinson Crusoe."

Others at La Paz this week include Mr. and Mrs. Kreiger and son, Kit, San Francisco; Mr. and Mrs. Parkinson, Berkeley; Mr. and Mrs. H. P. Inman, San Marino; Mr. and Mrs. Ben B. Brown, Des Moines; Mr. and Mrs. Harry H. Hilp, San Francisco; and Dr. and Mrs. S. Lazar, San Francisco.

## Chapter to Stage Big Charity Ball

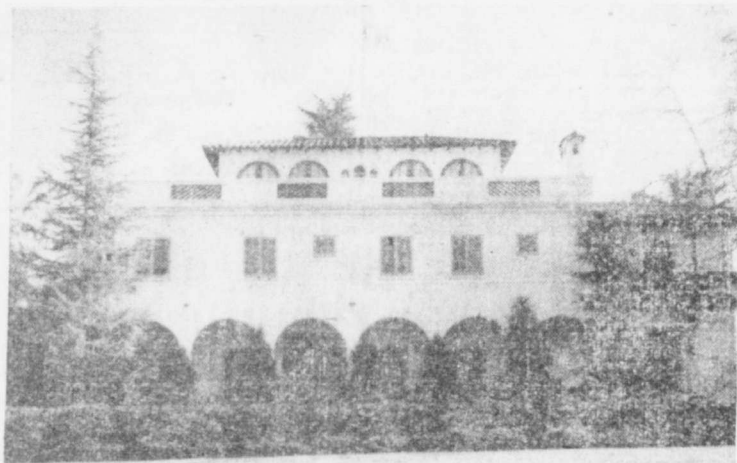

Palm Springs Eastern Stars will sponsor their first annual Mid-Winter Valentine's ball at the Tennis Club, Feb. 14, St. Valentine's day, it was announced by officials yesterday.

The event will start at 8 p.m. and the entire proceeds for the ball will go to well-known charity.

Tickets for the affair have been set at \$7.50 per person and may be obtained by telephoning Louise Sanborn at 5931 or Ina Peterson at 9810.

Interest in the affair is already high and its success is assured. It is planned to hold these charity balls each Valentine's day.

## MEDITERRANEAN VILLA

A beautiful retreat on the south slope of Redlands Heights where the sun is always warm and the breeze is cool. Constructed everlastingly of concrete and steel. The wood-work is all of fine grained mahogany. There are about eighteen acres of luscious oranges, the crop will run between four and five thousand boxes. Two acres are used for the home and for the innumerable flowering trees and shrubs, palms, eucalyptus, banana, crepe myrtle, evergreens, Chinese magnolia, even one Lebanon Cedar from Palestine.

Living room 22x46. Imported tile fireplace. Six bedrooms, all with gorgeous tile baths. The circle tower with the gold dome can be seen for miles. Dining room with a breath taking fountain. Two maids' rooms. Besides the Villa there is one guest house, the garage, gardeners' home and the corral. And, a wine cellar, too. Third floor sun deck has a rumpled room 15x30. Tile swimming pool. Barbecue and enclosure for outdoor eating.

## Grand Jury Recommends Salary Increases Purchase of Federal Jail at Camp Haan

In their report, presented to Superior Judge O. K. Morion Thursday, members of the 1946 Riverside County grand jury recommended substantial increases for members of the board of supervisors, district attorney, and the county auditor, purchase by the county of the federal jail at Camp Haan, adjustment of salaries in the agricultural department, correction of crowded conditions in the Indio township justice court, larger quarters for the county superintendent of schools and adequate space for the court house law library.

Salary increases recommended were: Supervisors from \$2400 to \$4200, district attorney from \$6000 to \$7200, and county auditor from \$4500 to \$6000.

Included in the report submitted to the judge is a resolution strongly recommending immediate construction of a building for housing of youthful offenders at Juvenile Hall. The Board of Supervisors took emergency action on this matter, and a building now is being erected.

In addition to the above recommendations, the 1946 grand jury advocated installation of a receipt system in county offices, where present methods of accounting

are deemed inadequate by a jury committee headed by Norman O. Norsworthy.

Accompanying the grand jury's report was a detailed audit report prepared by Charles M. Ross, certified public accountant, who stated in a preface to the audit that "no defalcations of public moneys were disclosed."

Banning members on the grand jury were Mrs. Daisy Wing, who served as secretary, and W. F. Roberge.

The British navy in the year 1602 consisted of 42 ships having a total weight of 17,000 tons and the cost was 900,000 a year.

## Parent-Teachers Workshop to Meet Tuesday Feb. 11

Parent-Teacher Workshop will meet at the Nellie N. Coffman school, Tuesday February 11, at 3:30 p.m. This meeting had been scheduled for February 4.

The Parent-Teacher Workshop is the only organized group of parents and teachers in Palm Springs presenting programs of vital interest to both parents and teachers.

THE MEETING will be devoted to "Visual Education demonstration" demonstrating and explaining the advantages of this modern method of teaching children. There will also be a speaker from the Desert School district who will explain the proposals for the expansion of school buildings and facilities.

IT WAS DECLARED that attendance of parents is important to the merits of children's record at school. All parents are urged to attend and bring friends. In this manner parents will come into personal contact with the teachers of their children and through the Workshop assist in fighting juvenile delinquency.

## SPECIAL ATTENTION TO BUYERS OF HOMES WHO MISSED LAST WEEK'S BARGAINS

With only \$5800 down (almost the value of a lot) and balance at \$150 per month, one of the best built homes in Palm Springs is ready for immediate possession. Owner is sacrificing because transferred north of California. About 1500 square feet of solid construction. Inside plastered by very experienced man—all corner joinings sealed by steel strips. Large living and dining room, fireplace. Heating system throughout house. Large, bright, most cheerful tile kitchen, service porch. An extra dinette. A large hall leading to tile bathroom with shower. Three large bedrooms and plans are made to have an extra bath in one of the bedrooms. One or two large closets in each bedroom. Two extra large closets in the hall for linens. \$600 worth of cooling system makes this home one of the most comfortable places in the desert during the hottest days of the summer. Guest house consists of large living and bedroom, bath, and 3x8 ft. closet. Please call at once with Certified Check for any amount to secure you this beautiful property until opening of Escrow. Above property completely furnished and closed in by high fence.

Next to one of the best hotels in town in the center of Palm Springs business activity, a corner lot 100x145 ft. zoned for all kinds of business is being sacrificed to a qualified buyer. There is now over \$2500 income.

Four or five unit income property wanted at once at the Palm Springs Realty Company.

ATTENTION TO SELLERS. We appreciate your kindest cooperation in offering us your very reasonable listings. We are proud to have given you proof of our immediate action.

RENTALS: One, two or three-bedroom house for rent or lease.

## For Sale

A gentleman's estate, a fine, well paying date garden, a comfortable four-bedroom home, homes for your help, excellent facilities for your horses, including barns, corrals, training yard, outbuildings, farm tools, in fact everything for complete ranching, yes, there is ample water, and room for your alfalfa and pasture.

This fine ranch will show excellent returns and one you would be proud to own.

Price \$200,000

## Ramon Road Paving To Thousand Palms Is Now Completed

Last week marked the completion of Ramon Road connecting Palm Springs with Highway 99 at Thousand Palms. The new paved county road now affords the most direct route free of curves out of Palm Springs to the Imperial Valley, Arizona and the South. The paving of this six mile strip is the end of a long effort on the part of the Thousand Palms land owners to open up the famed "North Rim" of the Coachella Valley.

The road was originally built by the private efforts of Alphonso Bell and some financial assistance by local owners on the north side of the valley. The war prevented paving by the county as had been planned.

**WORK IS BEING** continued on the east side of Highway 99 and within a week is expected to be completely paved into the exclusive residential development of Hidden Springs Ranch in which Ramon road terminates.

The improvement of this county road opens up a vast hinterland of exotic recreation areas including Shadow Mountain Palms, Thousand Palms canyon and the mystic Chuckawalla canyon located some four miles beyond the east of the easterly boundary of Hidden Springs ranch where the new paved road will end.

Chuckawalla canyon has been appraised by many virgin desert adherents as superior to even the famed Palm Canyon. Little known

## CROSSTOWN

by Roland Coe

"Wait 'til he sees the snowballs, then you go out and offer to sell him protection."

to the public due to inaccessibility it will now have easier approach from the end of Ramon road via the Edison right of way road. About a mile of hiking is required however to this wonder spot of the desert.

Simple baking soda followed by a small amount of water will remove the corrosion that often appears on battery terminals, declares the Service Department of National Automobile Club.

A light ray can penetrate water 580 feet, University of California scientist determined in wartime research for the Navy.

# Golf Stars to Compete Here in March

## Entries Already Pouring in for 12th Tournament

Plans for the twelfth annual invitational golf championship, scheduled to be played March 18 to March 23 were being speeded today by J. E. "Dad" French and Carl Haymond, co-chairman of the tournament committee.

Because of the increasing interest in the tournament and its popularity, the committee this year has decided to extend it over a period of six days. A schedule has been set up which will accommodate both high and low handicap golfers.

**THE TOURNAMENT** will start on Tuesday, March 18 on which day and the following day, March 19, golfers with handicaps from 9 to 24 will compete in 36 holes for medal play. Appropriate prizes are offered for both gross and net scores.

Thursday, March 20, has been set aside exclusively for the Senior tournament.

"This event has become so popular," said Chairman Haymond, "that there is no longer any room for the younger fellows. So the entire course has been turned over to the seniors."

**THE CHAMPIONSHIP**, proper, will be held on Friday, Saturday and Sunday, March 21, 22 and 23 and will be at 54 holes, medal play. This event is for golfers of 8 handicap or under. Already 125 applications for entries have been received. Entries close in this event on Feb. 1.

In order not to crowd the field, entries in all events have been limited to 90.

## Federalists Meet Alternate Mondays Hereafter, Word

Starting next Monday, Feb. 3, meetings of the Palm Springs chapter of the World Federalists will be held on alternate Mondays at the chamber of commerce rooms. The meetings will start at 7:30 p.m.

Heretofore, meetings have been held at the chamber each Thursday night.

Miss Thyra Cohen of 1187 Granvia Valmonte, was elected president of the chapter at its last meeting. She succeeds Mrs. E. N. Jordan.

Speaker next Monday will be Betty McCandless of Los Angeles on the youth question.

First ocean-going tanker, the Belgian ship The Charles, of 7000 barrels capacity, was launched in 1869.

## Community Hospital Notes

By BLANCHE TURONNET

I have neglected this column recently as I knew you would hear about the hospital in the news items of the past weeks, but now I must tell you of the visit I had with an attractive little lady in room 112, Miss Fern Fisk, a realtor from Lynwood, Calif. She was sitting up in bed with a lovely pink crocheted bed jacket, and looked like she was the heroine of a play. I told her so and she said "Well I was formerly an actress, but had to give up that strenuous life." She said she loved the outlook from her room, seeing the sun coming over the horizon, first all lovely reds, then fading into violets and blues, she also said that she was very comfortable at the hospital and that the service was excellent.

**OTHER PATIENTS** at the hospital the last few days were:

Medical—Master Richard Malavitch, Mrs. Catherine Cordrey, Mrs. Helen Fisher, Mrs. Charlotte M. Watson, Miss Eileen McDermott, Mrs. Cecelia Abner, E. E. Gaylor, Sam Houseman.

Surgical—Mrs. Veronica Feekings, Mrs. Dorothea Johnson, Mrs. Fannie Gholston, C. C. Hill.

Nursery—Baby girl Divine. Of course by now, you know about our new officers who are already working at their various jobs, every time I go to the hospital I find our president, Frank Bennett sitting at his desk very busy indeed.

Met Mrs. Fred Markham and Mrs. Ray Wilson, in the hall the other day, they are on the furnishing committee of the hospital board, and were making a survey, they hope in the near future to have all the rooms and wards looking homelike and comfortable for visitors as well as patients.

Remember about going to have your blood typed, any day between 5 and 7 p.m. There is a list for professional donors and one for voluntary donors, so do come and help out for emergencies.

## Chest Chairmen, Committees, to Meet on Monday

Final big meeting of all chairmen and committeemen of the current Community Chest drive will be held Monday, Feb. 3 instead of today as originally planned, Chairman Kenneth Kirk said today.

The meeting will be held at the Fiesta House.

At this session all members will turn in the amounts collected and workers' envelopes and receive their awards.

## Chest Benefits At Dinner Party Of Local VFW

Frontier Post, Veterans of Foreign Wars of Palm Springs staged a dinner meeting the other night and divided the proceeds among the auxiliary, the post and the Community Chest.

The latter's share in the event was \$23.00, it was announced at Chest headquarters.

## Last Solemn Rites Said for Priest, Victim of Crash

Last solemn rites were said in San Diego Tuesday for the Reverend Father Michael J. O'Farrell who came to his death in the flames of his automobile sometime during the night of Sunday, January 19.

Funeral services were held in San Diego's St. Joseph Cathedral with his brother, Rev. Fr. Jeremiah O'Farrell, reciting the Mass in the presence of the Rt. Rev. Bishop Charles F. Buddy.

IN ADDITION to a large congregation, two hundred priests were present among whom were Rev. Fr. Michael O'Connor and Rev. Fr. C. J. Moynihan of the Palm Springs parish.

After the services which began at 10:30 a.m. Tuesday, interment services were held in the Catholic Mausoleum.

FATHER O'FARRELL, formerly priest at Sacred Heart Church, Mira Loma, burned to death apparently when his car was set afire by sparks from its spinning wheels as he attempted to back out of sand alongside of a road east of Twenty-Nine Palms.

No inquest into his death was held, the San Bernardino County coronor, R. E. Williams declaring that there was no doubt that the death of the priest was accidental.

# Social ACTIVITIES

## Mrs. Irma Fulton Guest of Honor At Birthday Party

Mrs. Irma Fulton was the guest of honor at a birthday luncheon given by her daughters Mrs. Irving Sanborn and Miss Muriel E. Fulton at the Palm Springs Tennis Club at luncheon Tuesday.

Among the guests were: Mrs. Upham Bigelow, her son Dudley, Mr. and Mrs. John Jenkins, Mrs. Judson Rives, Mrs. Noble Banks, and her daughter Mrs. Sandia Clark, Mrs. Ruth Hardy, Mr. and Mrs. Bert Blanding, Mr. and Mrs. Robert Hudson and Mrs. Fulton's son-in-law, Irving Sanborn.

The table was specially decorated for the occasion. The guests enjoyed bridge after the luncheon.

Know your car, the National Conservation Bureau says. It is a 2-ton projectile, capable of a speed of 70 to 100 miles an hour. At the maximum speed limit of 40 miles an hour, it takes 160 feet to stop it if it is in perfect mechanical condition. Reaction time, that is the time it takes to move your foot from the accelerator to the brake, consumes from three-fourths of a second to a second and a half, during which time your car has traveled some 55 feet at 45 miles an hour.

## Miss Sack Bride of Marvin Wade At Yuma Rites

Miss Marion Sack of Hollywood, daughter of Mr. and Mrs. Michael Sack of the film city, became the bride of Marvin Wade of Palm Springs last Friday night at a ceremony performed by Judge Lutes, Yuma's marrying judge, at that Arizona city.

Mr. Wade, who is connected with the Grant Construction company here, has been in the Village more than a year. He is the son of Mrs. Helen Kracco of Chicago.

The couple will make their home in one of the new houses on the Vista del Cielo tract here.

## Buffet-Bridge Luncheon Proves Delightful Affair

The buffet hour Friday at the Palm Springs Tennis club saw Mrs. Edward R. Bacon play hostess at a bridge-luncheon held in the now famous glassed-in patio.

Those asked were Mrs. William Lippman, Mrs. Harry Harper, Mrs. O. B. Jaynes, Mrs. John Hormel, Mrs. William F. Schlotman, Mrs. Judson C. Rives, Mrs. John Hamerick, Mrs. A. B. Navara, Mrs. E. E. Oertel and Mrs. Austin McManus.

## Surprise Party Features 17th Anniversary

Mr. and Mrs. William B. Malouf were delightfully surprised Sunday afternoon when more than forty of their friends dropped in at their home to help the couple celebrate their 17th wedding anniversary. The gathering was one of those spontaneous affairs. Cocktails were served. Rudy Vallee who dropped in, entertained with songs appropriate for the occasion.

Mrs. Malouf vividly remembered her marriage in Colorado Springs. She said the weather on that important day was 20 below zero and by contrast, the day here, was one for which Palm Springs is famous.

## LITTLE CHATS ON PUBLIC NOTICES By J. E. POLLARD

### HERE ENDETH

What has been sought in those fifty-odd "Chats" was to bring home to the layman the nature and every day importance of Public Notices, and to help him realize how widely they affect him and the community, large or small.

An effort has also been made to show how extensive and how binding the law is in such matters. Another aim was to emphasize how well established as a democratic principle is the practice of giving Notice. The implications of this must not be lost sight of even in times like these.

Still another object has been to depict the role of the local newspaper of general circulation in furthering the purposes of Public Notices. In so doing the press enlarges the scope of its public services, remembering that the terms are usually fixed by law. To sum up, as one of the

## Guest Meeting of Woman's Club Set For Monday Evening

By MRS. JOHN S. LAPP

The annual guest meeting of the Palm Springs Woman's Club will be held on Monday, February third, at 8 o'clock, in the club house on South Cahuilla road.

Mrs. James Geggie, program chairman, announces that Mrs. Lorita Bakey Valley, distinguished commentator on world affairs and current literature, will give one of her fascinating informative talks.

MRS. VALLEY is acknowledged by trained observers to be one of the most astute thinkers as well as delightful speakers of the West. That her interpretations of world news, books and drama stimulate independent thinking and reading on the part of all who hear her is thus expressed by one critic: "Mrs. Valley condenses the text of several books, yet cleverly leaves her hearers at the 'don't stop there' point." TIME magazine, in a recent national survey, rated her at the head of the list.

Each December Mrs. Valley spends some time in the National Capitol to glean first-hand impressions of national and international affairs; and in New York City to view the new plays. European travel gives authentic background to her world comment. This summer she spent considerable time in England.

THIS PROGRAM should prove to be of interest to the men, and it is hoped that many members will bring their husbands as their guests.

Mrs. G. K. Sanborn is chairman of committee for refreshments to be served following the program. As usual, non-members will be admitted by guest card or for admission fee of \$1.20.

Only one justice of the United States Supreme Court has ever been impeached—and that one was acquitted and resumed his seat on the bench, according to the Encyclopaedia Britannica. Articles of impeachment were brought before the Senate against Justice Samuel Chase in 1804 because of his activities in behalf of the Federalist Party.

chief props of democratic government and an important safeguard to the individual, the Public Notice should be respected accordingly and guarded jealously. —Copyright 1942—

Listen Daily to the  
"Desert Round-Up"

At the age of 42 years Theodore Roosevelt was the youngest person to become President of the United States. At the age of 68 years William H. Harrison was the oldest.

A 10-year-old boy traveled from Troy, N. Y., to Cleveland, Ohio, in a sealed Railway Express agency car. Strange ways the teen-agers have of expressing themselves.

There wasn't enough infusion of new blood. They (the Democrats) took too much for granted and proceeded on the theory that the prestige of the late President Roosevelt would carry them through—James A. Farley.

I don't think that we (Indians) have a monopoly on confused thinking.—Sir G. Shankar Bajpai, Indian delegate, U. N. economic and social council.

# DON CABALLERO

Ideal Palm Springs weather (omitting Tuesday) and rugged days elsewhere combined to fill up the Village this week and as a result there were many gay affairs to be listed here.

Don had a busy time keeping in touch with things but below are some of the items he was able to get on paper.

**SURPRISE** was on the program for Beverly Ransom, at the home of Mr. and Mrs. Robert Ransom, last Friday night.

It was the occasion of her birthday and a group of her friends from the Community church gathered to extend birthday wishes.

Present were Sandra Cordrey, Gary Sanders, Nelson Vise, Eleanor Bradley, Virginia Hubbs, Mary Ann Grude, Shirley Allegrini, Betty Sandoval, Irma Trucher, Donna Milner, Dolores Gardner, Douglas Winterton, Carolyn Harper, Wilber Vanderstrom, Barbara Greely, Wendell Hines, James Sharp, James McKinney.

**SEATTLE VISITORS**, Mr. and Mrs. R. L. Thorsdale, were guests of Mayor and Mrs. C. A. Hyde Sunday on a tour of the date garden area between here and Indio. In the party also were Mrs. Louise McCarn, long-time

friend of the Thorsdales, Mrs. Robert Pinkham, their daughter, and Marjorie Hyde.

Mayor and Mrs. Hyde honored the Seattle visitors with a dinner at the Tennis Club Thursday.

**THUNDERBIRD RANCH** has among its guests this week people from practically every section of the United States. Among them are Mr. and Mrs. Russell Wells of Denver, Colorado; Mr. and Mrs. H. P. Varley of Ridgeview, New Jersey; Mr. and Mrs. Bruch Hulbert of Indianapolis; Mr. and Mrs. Harry Hall of New Baltimore, Mich.; Mr. and Mrs. R. F. Cunningham of Yakima, Washington; Mr. and Mrs. R. H. Eckoff of Piedmont, Calif.; Mr. and Mrs. Howie Foster and their two children from Seattle, Wash.

Mr. and Mrs. Robert Taylor (Barbara Stanwyck) flew down from Hollywood in their twin engine Beacher and almost "buzzed" the roof of the Ranch.

**DEEP WELL** Guest Ranch entertains their guests every other Tuesday night with a real square dance. They have a professional caller and Smith's Cowboy Band. Staying at the ranch are Mrs. Stuart Rawlings and her grandson Stuart III from Piedmont, Calif.

**MR. AND MRS. BILL COLBURN** were seen at the Racquet Club with their friends, the Douglasses. Mrs. Douglas, attractive as ever, looked even more stunning in a wine-ribbon-knit.

At another table, Mrs. Bode K. Smith and Mrs. R. Smith Stanley of San Francisco were lunching in the sun with Mrs. Edward R. Bacon. A study in black and white, Mrs. William F. Schlotman with her house guest, Gloria Shank, also of the Bay City, were there with a large party of friends.

**ARRIVING** for the rest of the season on February 1 are Mr. and Mrs. A. G. Fish of Denver, Colorado, regular winter residents here for the past few years. They will make their home at the Mira Monte until April.

**LEAVING BY AIRPLANE** for Washington, D.C., this week were Col. and Mrs. Frank Kurtz, who have spent the last five weeks at the La Serena Cottages. Col. Kurtz will spend the next five months at the armed forces staff college. Mrs. Kurtz and daughter will be in Washington with him.

Rear Admiral and Mrs. Ralph Wood, who were recent guests at La Serena Cottages, are now in Borrego Valley where Mr. Wood is manager of the project there.

**STEAK** will be the main item when the Jewish Woman's club of Palm Springs meets at the Officers Club at the former army air field, February 21.

A gala evening is anticipated with prizes and surprises in store for all who attend.

Proceeds from the event will go to aid displaced children in Palestine.

Anyone desiring tickets for the dinner is urged to call Mrs. I. Becker at 2289.

**LAST WEEK** saw such well known Villagers dining at Don Manchester's Bombay as . . . Mr. and Mrs. Barney Hinkle, Sam Stewart, Leo Baker, and cute wives, with Dr. P. A. Staley and wife, Mr. and Mrs. Ken Kirk, Mr. and Mrs. Herbert Foster, and K. Arekelian with a large party of nine friends.

Al Epstein was in with Phillip Annenberg and wife, Annenberg being publisher of the Philadelphia Inquirer and the Daily Racing Form.

The famous major league umpire, Beans Reardon, dined there with his wife and Richard Birge, brother of Caroline Hicks, and his wife sampled the curry. The Birges are here for a short visit from Massachusetts. From Hollywood and the fast-moving radio industry came Bill Tomberlin, well known writer, and a Miss Culver.

Saturday night saw the Nabob, the Bombay's native Hindu who personally serves each curry order, attired in a new and dazzling ensemble. The be-spangled long coat, a gift of one of India's Maharajas was adorned with a sash of burnt orange and green, and

the Nabob's turban also had several swaths of same two colors, plus some ornate, jeweled embellishments.

**RUDY VALLEE** gave a show for members of the Tennis Club Saturday evening. Mr. and Mrs. Jimmy Mulcahy, famed Harmonica players and former U.S.O. entertainers who have traveled with Bob Hope and are also on the Rudy Vallee-Phillip Morris Program, were on the entertainment committee. Also Arling (Benny) Martin joined with his excellent piano playing.

Mr. Vallee's dinner guests for the evening were Mary Ann Nyberg, Dr. Joseph A. D'Alessio, Dorothy Farrier of the famous Charm Schools and Kenneth Hahn.

Mrs. D'Alessio is spending a few days in Los Angeles and will return to the Village some time this week.

**SUNDAY MORNING** saw a goodly turnout for the Horseman's Associations luncheon ride. The equestrians lit out for the Los Compadres Trail then swung over to Palm Canyon, making it not only a long ride but a very scenic one. Luncheons were packed by the guests with the club furnishing hot coffee.

Visiting with the Jack Gorchams at Estrella Villas this week was Peggy Misenheimer, Dottie Gorcham's sister. All in all it was a busy week for grandmother Fay Neil with three grandsons to occupy her spare time.

From Lafayette, Louisiana, comes news of baby daughter, Deborah Anne, to the John Briggs Bosworths. Briggs is a local boy who left the sunny southland for the sunny south and is now working for his lawyer's degree at the University of Louisiana.

Local ex-servicemen contemplating further education are Charles Riley and Johnny Redding, who have registered at San Bernardino Junior College for the spring semester. Johnny seems to think their language courses might interest him.

**CHOOSING** Villa Hermosa for their holiday on the desert are Mr. and Mrs. T. J. Sullivan with her sister, Mrs. D'Lyte Thorsen, all of Pasadena. The Sullivans soon are to leave for Honolulu, as they are among those interested in the building of the smart new resort hotel at Coconut Island.

Mr. and Mrs. Edgar Kaufmann of Philadelphia are watching with enthusiasm the completion of their new desert home, and now are staying at Villa Hermosa until they move into the new location. Being designed by one of the foremost of modernistic architects, Richard Neutra, the home has a new feature in that the barbecue is located on the roof. This spot affords a panoramic view of the beautiful Palm Springs scenery, while guests enjoy their grilled steaks.

Others sunbathing at Villa Hermosa and swimming in the beautiful garden pool are Mr. and Mrs. Sam Davidson, Chicago; Mr. and Mrs. M. Levine, New York City; Mr. and Mrs. H. S. Foster and family, Seattle; Mr. and Mrs. Chet Rogers, Palos Verde; Mr. and Mrs. Stanley Roth, Scarsdale, N. Y.; Mr. and Mrs. R. H. Byles, Fresno

and Mr. and Mrs. Irving Bader, San Francisco.

**MRS. JOSEPH A. D'ALESSIO** returned from her trip to Los Angeles via Western Air Lines. During her visit there she was the guest of Mr. and Mrs. Leonard Meyberg at their lovely home.

Later in the week Mrs. D'Alessio entertained a number of her Los Angeles friends at the Cafe LaRue on the Strip. Among those present were Mary Ann Nyberg, Betty Sue Otto and Mr. Ernest Kohler.

**THE SILVER STRAND** at Hotel del Coronado got a legal touch last week-end when Judge and Mrs. E. E. Theriault and Mary Draesko, member of the judge's official staff, motored to that spot for the week-end.

**PENTHOUSE SERENADE** was evidently the theme song when Barbara Nordurft and Barbara Schilly co-hosted a party at their Plaza penthouse Saturday.

Guests at the affair were Mr. and Mrs. John Clark, Mr. and Mrs. Stewart Williams, Mr. and Mrs. Burnham Bigelow, Mr. and Mrs. Frank Bogert, Mr. and Mrs. August Cortesson, New York, Kay Hughes, Ruth Sougey, and Janet Zemke.

**GUESTS** of Dr. and Mrs. H. M. F. Behneman at the Ingleside Inn Saturday evening were Mr. and Mrs. George Hosford of San Francisco and Dorothy Worthington, Mrs. Hosford's sister.

The Hosfords were in the Village to celebrate their first wedding anniversary. They were married here a year ago.

**OUT-OF-TOWN** visitors to Palm Springs were guests at a reception given by Mr. and Mrs. John Lawlor last Saturday evening at their home here.

All parts of the nation and of the state were represented by the guests who dropped in during the evening.

## Deep and Lasting Refreshment

To hundreds of thousands, the thoughtful reading of the Christian Science textbook has brought a feeling of renewal, and with it release from disease and other difficulties, increased usefulness, success, and happiness—benefits which have proved to be permanent.

Men and women in all walks of life, by applying the teachings of this book,

**SCIENCE and HEALTH** with Key to the Scriptures by Mary Baker Eddy

have found their skill increased, and have been enabled to work with greater inspiration, assurance, and accomplishment.

In simple, direct language, the book gives the complete explanation of Christian Science and its scientifically Christian method of liberation from sickness, fatigue, frustration, and other evils.

A book for everyone to understand and use.

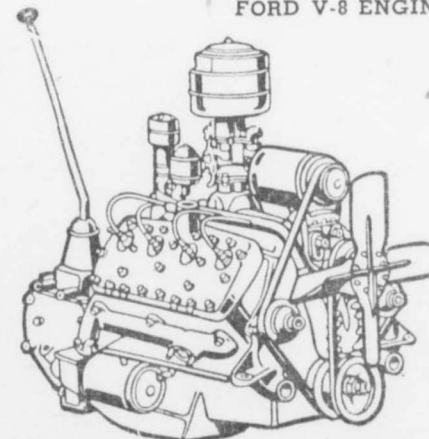

In various editions, at  
**CHRISTIAN SCIENCE  
READING ROOM**

All Christian Science Reading Rooms are open to the public for the study of the Bible, the works of Mary Baker Eddy, and other Christian Science literature, without charge, and for the purchase of these publications.

## Many Notables View Third Unit at Desert Palms

During the past week, many notable people have visited Palm Desert for a preview of the third unit which is opening soon and have tentatively made their selection for a home-site.

The Hornels of the Hornel Packing company visited Palm Desert on Sunday with Mrs. H. H. Wetzel. Ray L. Langer, owner and operator of large hotel interests, has purchased a homesite near the Shadow Mountain club and residential income property, which he plans to improve soon. C. H. McVey, retired theatre chain owner, has purchased a beautiful Shadow Mountain Club estate. Mr. and Mrs. McVey, having plans already drawn for their desert home, decided on Palm Desert as the ideal location to make their dream a reality. William C. Ross, banker, has selected a site in the new third unit to build his permanent winter residence.

**THE LOTS** and estates in the third unit have, without question, the most spectacular view on the entire desert—the elevation being such as to overlook the unique lake and grounds of Shadow Mountain club which are being landscaped by Tommy Tomson, the famous landscape artist. Having designed and supervised the landscaping of the world-famous Santa Anita race track grounds and the Los Angeles Union Station, Tommy Tomson has undertaken the tremendous task of landscaping Palm Desert and Shadow Mountain club grounds.

## Only 4 Days Left for That New 1947 Auto License Plate

The Department of Motor Vehicles today reminded vehicle owners of Palm Springs that they have only four days to file applications for 1947 license plates without paying penalties.

The Vehicle Code requires penalties equal to 100 per cent of the registration fee and 50 per cent of the vehicle license fee be collected on applications received after midnight of February 4.

Vehicle owners of this area should apply at the nearest office of the department which is located at 3500 South Hope St., Los Angeles.

On ordinary applications the only document needed is the 1946 Registration Card. Fees may be paid in cash over the counter, but cash should not be sent by mail. For mail applications use postal, bank or express money orders or certified checks. Personal checks are not accepted.

Mail applications must bear a postmark not later than midnight of February 4, or penalties will be required.

"Upon completion of this project, Palm Desert will be the Desert Show Place of the world," stated Cliff Henderson, owner-developer, "truly, something new under the sun. It is no wonder hundreds of people who enjoy the finer things of life are coming to Palm Desert to select their desert homesites—where there is ample room for spacious living, the lots ranging in size from 100' frontage to one acre or more."

## Climax Nearing in Small-Bore Events At Village Range

The five-week small bore night range rifle match held by the local Palm Springs-Coachella Valley Pistol and Rifle club every Friday night moved into the final stage last Friday night with several changes in various classifications among the nine-coveted medal awards.

The outstanding score of the matches thus far was turned in by I. C. McCoy with a perfect score of 400, with 21 of the 40 shots at 50 yards cutting or in the 1/2" X-ring center! McCoy, having been a target for jests in past years over his mail-order target rifle, was able to turn tables on his rivals who have been boasting of their higher priced guns.

**STILL LEADING** in Expert class were: Harry H. Mann, first and Warren James, second, followed closely by M. E. Cameron and I. C. McCoy in third and fourth places. First, second and third in Sharpshooter class: J. V. Moore, Robert D. Camp and Lester P. Peck respectively, while Marksman class leaders were: John Carlson, "Angie" Whitlock and Joe Sandeffer. Efficient scoring of targets by Ruby Mann during the last match was met with appreciation by all shooters who were able to learn their scores before going home.

**PLANS** are being made to hold a "weiner bake" for members and their families on the 5th shoot, Feb. 6th as a finale to the award of the medals. All interested in the sport of target shooting, whether competitor or spectator, are cordially invited to attend.

The range is located at Araby Point near old gravel pit, four miles from Palm Springs on the Cathedral City road.

### LOST ILLUSION

The twelve-year-old son of Bernard DeVoto, the author, attended a broadcast of "The Cavalcade of America" program, where he was thrilled to recognize in the voice of the announcer, Clayton Collier, the clarion tones of that mighty hero, Superman.

After the broadcast, when the youngster was introduced to the actor, he remarked, "So you're Superman?"

"That's right," replied Collier, standing straight and resolute.

"Humph," grunted the boy, eyeing the actor speculatively. "I'll bet you couldn't even push over the R. C. A. building." — Wall Street Journal.
